

BROTHERHOODS ISSUE STRIKE ORDER

STRIKE WILL MEAN COMPLETE CESSATION OF RAILROAD WORK

MEN WILL GO OUT PROGRESSIVELY

Order Warns Men to Keep Away from Railroad Property and Not to Use Any Violence
—W. C. Lee Fears Will be the Most Serious Strike in History—Skeleton Service

(By The Associated Press)
CHICAGO, Oct. 15.—More than half a million American railroad men today were ordered to initiate a strike October 30, while other unions whose membership brings the total to about two million, announced unofficially that they were tonight preparing to follow suit and make the walkout general, on the same dates.

Under this program the tieup would be complete, according to union predictions, by November 2.

The hour was fixed for 6 A. M., Oct. 30, except for one Texas line whose trainmen were authorized to go out October 22.

The railroads listed in the first group on which the strike is to become effective touch forty two of the forty eight states with a trackage of 73,000 miles out of the total United States trackage of approximately 200,000 miles.

The New England states comprise the group that is virtually untouched in the first walkout.

VIRTUALLY EVERY LARGE CITY WILL BE HIT BY STRIKE

This Will be Result of First Walkout in Rail Strike

(By The Associated Press)

CHICAGO, Oct. 15.—The first walkout in the progressive general railroad strike scheduled to begin at 6 a. m., October 30, would find virtually every large city and forty-two of the forty-eight states in the nation affected.

Only the New England states would be untouched in the strikes planned for the roads in the first of the four groups of carriers.

The strike is planned to extend along every border of the country with the exception of the extreme northeast and to cover every interior state.

The seventeen roads which first would be affected have a total mileage of 73,471 miles, approximately thirty-six per cent of the trackage of the country. Including all of the railroad organizations in the neighborhood of 750,000 men would walk out on the first day, union leaders estimated, although it has not been decided definitely yet whether the eleven minor unions shall carry out their walkout in all details the same as the big four brotherhoods and the switchmen's union of North America.

The largest of the roads listed in the first group of the railroads is the Chicago, Milwaukee and St. Paul, which has a trackage of 10,661 miles and runs through most of the states in the northern part of the country between Chicago and the Pacific coast.

The Chicago & Northwestern, covering the central and north central states, is the second largest, its mileage totalling 10,155. The only states not reached by the roads on which the strike is scheduled to begin are Massachusetts, Maine, Vermont, New Hampshire, Connecticut and Rhode Island.

GALESBURG JAIL PRISONERS ESCAPE

BURLINGTON, Iowa, Oct. 15.—Eight prisoners, including a Mexican and a negro, all confined in a big cell, saved through three bars on a window of the county jail at Galesburg, Ill., today and escaped about 8 o'clock tonight.

None of them have been recaptured as yet. The sheriff and his deputies are conducting a search, and surrounding towns have been notified. Most of those escaping were held on larceny charges.

WEATHER REPORT

Chicago and vicinity.—General iv fair Sunday and probably Monday; continued moderate temperature; moderate southerly winds.

Illinois, Missouri, Iowa.—Generally fair Sunday and probably Monday; continued moderate temperature.

Wisconsin.—Partly cloudy Sunday and probably Monday; not much change in temperature.

TEMPERATURES.
The current maximum and minimum temperatures as recorded Saturday were:
Jacksonville, Ill., 63 67 41
Boston 64 70 50
New York 58 72 48
Jacksonville, Fla., 68 74 68
New Orleans 70 80 60

LAST RITES ARE SAID FOR LATE SENATOR KNOX

Two Thousand Assemble at Valley Forge for Services

(By The Associated Press)

VALLEY FORGE, Pa., Oct. 15.—In the bright sunlight of a calm autumn afternoon, United States Senator Philander C. Knox was laid to rest today in Valley Forge Memorial cemetery, which overlooks the historic camp grounds of George Washington's army.

Surrounding the open grave of the senator who died in Washington Wednesday night stood members of his family, members of President Harding's cabinet, a large delegation from congress, state and local officials of Pennsylvania and many others who mourned the death of the distinguished Pennsylvanian. Only the solemnly beautiful committal service of the Protestant Episcopal church marked the final obsequies.

The funeral services were held in Washington yesterday and were attended by President Harding and many others prominent in the official life of the nation.

The congressional delegation from Washington included members of the senate's foreign relations committee, headed by Senator Lodge, Massachusetts and the entire Pennsylvania membership of the house.

About 2,000 persons were assembled at the grave when the funeral party arrived from the Knox county seat, a short distance away.

The service was read by the Rev. W. Herbert Burke, rector of Valley Forge Memorial Chapel.

In the party were Secretary of the Treasury Mellon and Attorney General Daugherty.

CONSTABLE DENIES HOLD-UP STORY

CAIRO, Ill., Oct. 15.—Edward Smoot, a constable, implicated by Ernest Lindsey, nineteen-year-old farmer, in the holdup Friday of the Citizens National bank at Pulaski, twelve miles north of here tonight denied any connection with the robbery. Herbert Crippen, who was arrested with Smoot also denied having any connection with the holdup. Lindsey, according to the Pulaski county authorities, named these two in his alleged confession as the instigators. The loot, amounting to \$1,800 has not as yet been recovered.

TWO WOUNDED IN STREET FIGHTING

BELFAST, Oct. 15.—There was a burst of firing in the north Queen street area tonight, a man and a girl being wounded. Later a bomb was thrown, two police men narrowly escaping injury. The body of a man found on the Lagan river bank is believed to be that of the victim of a holdup gang.

JAPAN'S POLICY AT CONFERENCE IS MADE KNOWN

Maintenance of World Peace is Ardent Desire of Nation

(By The Associated Press)

TOKIO, Oct. 13.—(Delayed.) Japan's disarmament policy, formulated during conferences of the cabinet council and submitted for approval to the advisory council, will serve as instructions for the Japanese delegates to the Washington conference, according to the newspaper, Asahi Shimbun, today.

The main points of this policy, says that newspaper, are substantially as follows:

"The maintenance of world peace is the ardent desire of the Japanese nation; so much so that the imperial government approved ahead of the other powers the idea of holding the Washington conference. The delegation shall strive to make clear that the principle of the empire is to maintain the minimum strength necessary for assuring the defense of the country.

"The Japanese policy has not been framed with the armament of other countries as an objective, but only with the idea of necessary defense, taking the geographical position of Japan into consideration. The yearly increase in armament expenditure has been due to the fact that international relationship has not allowed the powers to slacken their respective armament preparations.

"If possible the sources of international difficulties should be rooted out and perfect assurance of national defense established. Japan will willingly agree to a limitation of armament with the other powers.

"Will Try to Show Sincerity.
"The delegation shall endeavor to make clear that the government is sincere in its desire to lessen the burden of national armament expenditure.

"The strength of the army also is based upon the idea of minimum necessary defense of the empire and the safety of lives and property of her subjects abroad.

"If Japan's relations with neighboring countries are placed upon a better basis, Japan will not hesitate to adopt a policy of limitation in principle; but any concrete plan having a bearing upon the protection of national wealth, the conditions of neighboring countries, the size of population and the geographical position of the empire must be subjected to further instruction from the government.

"Regarding the limitation of the use of airplanes, poisonous gases and other unusual weapons, the delegation shall consult the delegations of other powers in order to obtain their views regarding such limitation.

"The government desires an agreement for the withdrawal of offensive armaments from the islands of the Pacific and also for the prohibition of further extension of such armaments. Japan's present armaments in the Pacific islands do not constitute a threat to other powers nor has Japan any intention of resorting to threatening measures in the future."

MINERS' OFFICIALS INDICTED

CHARLESTON, W. Va., Oct. 15.—C. F. Keeney and Fred McNeely, president and secretary of District No. 17, United Mine Workers of America, have been indicted by the Kanawha county grand jury now in session, on the charge of "inciting insurrection in connection with the recent armed march to Logan county."

They were indicted by the grand jury on charges of "inciting insurrection in connection with the recent armed march to Logan county."

Attorney Frank C. Burdette, "Other leaders of the miners were also indicted but their names have not been made public because no arrests have been made yet," the prosecutor said.

Keeney and McNeely now face charges as a result of the disturbances on the Boone-Logan border in August and September in three counties—Boone, Logan and Kanawha.

AGREES TO RELEASE RUSSIAN PRISONERS

New York, Oct. 15.—Attorney General Daugherty has agreed to release four Russians in federal prisons serving sentences for offenses against the war laws on condition that they be deported to Russia immediately at private expense and never return, their attorney, Harry Weinberger, announced today.

The prisoners are Jacob Abrams, Samuel Lipman and Hyman Lachowsky, imprisoned at Atlanta and Mollie Steimer at Jefferson City, Mo.

SPROUL SAYS HE WILL NOT RESIGN

Philadelphia, Oct. 15.—After he had returned from the funeral of United States Senator Knox today, Governor Sproul definitely settled the rumor that he might resign the governorship by his pointed statement to the governor's office.

"I will not resign the governorship. The people of Pennsylvania elected me governor for four years and they expect me to finish out my term."

ASSEMBLYMAN HAS RESIGNED

Macomb, Ill., Oct. 15.—Representative James M. Pace today filed with the county clerk his resignation from the Illinois General Assembly. He was chairman of the committee on roads and bridges and resigned to accept the postmaster position at Macomb.

This is Mr. Pace's third term in the general assembly.

BRIEFS

HANNIBAL, Mo., Oct. 15.—

The twelfth annual convention of the Missouri league of building and loan associations adjourned here today, after selecting St. Louis for its next session and electing the following officers: President, Walter F. Page, Kansas City; vice presidents, Ira E. Melton, Sedalia, W. A. Downing, Kirksville, Louis F. Yockel, St. Louis; secretary-treasurer, Robert J. Richardson, St. Louis.

Obregon Makes Important Declarations to Press Men

(By The Associated Press)

MEXICO CITY, Mex., Oct. 15.—President Obregon in a conference with American newspaper correspondents today, made four important declarations, substantially as follows:

That Mexico will have no official representatives at the impending Washington conference.

That the question of the recognition of Mexico by the United States remains in status quo.

That the Mexican federal government will support the Puebla state authorities, even with troops if necessary, to maintain order which has been threatened as a result of protests against tax laws in that state.

That negotiations relative to the payment of Mexico's foreign debt are in a preliminary stage.

President Obregon discussed a variety of subjects pertaining, for the most part, to internal affairs.

In alluding to the Puebla situation, he asserted he possessed no elements of danger other than the ordinary appeal of hungry people who are suffering discomforts due to a commercial paralysis in that city.

The president intimated that unless demonstrations cease and business reopens the federal forces will be employed to restore tranquility.

Commenting on the address of Thomas W. Lamont at the American chamber of commerce luncheon yesterday, President Obregon declared it was "well animated and conceived in good faith."

The president admitted that he had offered his personal services as mediator, and that had been accepted, in the controversy between the Agula Oil company and the government in the state of Vera Cruz.

Asked if the presence in Mexico City recently of numerous Latin American delegations, for the centennial celebration had resulted in discussions looking toward a formal federation of Spanish-speaking countries of the western hemisphere, President Obregon answered in the negative, but added:

"Doubtless the members of the missions carried away with them a good impression of Mexico and were convinced its condition is far better than some reports picture."

The Mixed Claims Commission for the settlement of claims against Mexico is only in the preliminary stage, the president declared. When asked what countries had accepted his recent invitation to name members for that commission he said this was a matter for the foreign relations department but he understood negotiations of a primary nature had been started with several countries.

President Obregon maintained his former position that the signing of a treaty of amity and commerce, as a preliminary to the act of recognition was impossible.

The greatest problem facing the Mexican government in the opinion of the president is illiteracy among the masses, but he asserted that an educational plan is well formulated and is being carried out, as exemplified by the recent appointment of Jose Vasconcellos to the new cabinet post of minister of public education.

The president declared that Major General George W. Goethals had come to Mexico City on invitation to discuss with the Mexican authorities numerous engineering projects embracing the railroad, harbor and road improvements.

SPROUL SAYS HE WILL NOT RESIGN
Philadelphia, Oct. 15.—After he had returned from the funeral of United States Senator Knox today, Governor Sproul definitely settled the rumor that he might resign the governorship by his pointed statement to the governor's office.

The president declared that Major General George W. Goethals had come to Mexico City on invitation to discuss with the Mexican authorities numerous engineering projects embracing the railroad, harbor and road improvements.

SAYS STATE WILL BE READY NOV. 1

CHICAGO, Oct. 15.—The state will be ready on November 1st to start the trial of Governor Len Small, Lieutenant Governor Fred E. Sterling and Verne Curtis, local banker, charged with embezzlement of state funds, according to a statement tonight by Representative William F. Weiss, who said his information came from Attorney General Brundage. Investigators from the attorney general's office were busy today in Waukegan, the scene of the trial, obtaining the names of all October and November veniremen.

FRISCO ATTORNEY TO DEFEND ARBUCKLE

SAN FRANCISCO, Oct. 15.—Gavi McNabb, prominent San Francisco attorney announced today that he would take charge of the defense of Roscoe C. (Patty) Arbuckle, charged with manslaughter in connection with the death of Miss Virginia Ragsdale, motion picture actress.

Mr. McNabb said the motion picture interests had retained him to defend Arbuckle.

Mr. McNabb successfully defended Jack Dempsey when he was charged with conspiracy to evade the selective service act.

NICARAGUA FORCES ARE VICTORIOUS

MANAGUA, Nicaragua, Oct. 15.—Government forces have been victorious in a five hour engagement with revolutionists in the department of Nueva Segovia, near the Honduran frontier. Six revolutionists were killed, a large number were wounded and several prisoners and a large quantity of ammunition were captured.

BIG STRIKE OF 1894 IS RECALLED BY THE PRESENT SITUATION

That Was the Most Serious the Country Had Ever Gone Thru—Traffic Was Tied Up from Pacific to Canada—Eugene V. Debs Was the Directing Head of That Strike

(By The Associated Press)

CHICAGO, Oct. 15.—The most serious railroad strike that this country has ever gone thru broke out in 1894 in Chicago, scene of today's strike decision. This was the Pullman strike which tied up traffic to the Pacific and to Canada.

Eugene V. Debs, now serving a prison sentence at Atlanta for violation of the espionage act, was the directing head of the 1894 strike and was sent to jail for the first time for collision with the government during it. Debs came into charge of the strike thru being president of the American Railway Union.

The trouble arose in the Pullman plant on the southern outskirts of Chicago during a period of general business depression somewhat akin to that of the present.

The issue however, was the reverse of today's, the men asking an increase to help them meet the hard times.

A boycott was declared on the Pullman cars. It resulted in tying up all traffic including the mails over a wide area and violence broke out in Chicago.

The federal government ordered regular troops here. They were met by a mob and could not proceed until re-inforcements came up.

Gov. John P. Altgeld, of Illinois, complained to President Cleveland for sending troops, declaring the state could handle the situation, but President Cleveland stood firm on the need of federal troops.

When Woodrow Wilson became president, a general railroad strike seemed imminent but it was averted largely through the passage of the Adamson law.

A threatened strike of railroad shopmen in 1919 resulted in several thousand workers in various sections of the country leaving their work. The workers, who asked higher wages, returned to their jobs during August after the strike. President Wilson had issued a request that the men remain at work pending adjustment of wage disputes by the government which was operating the roads at that time.

Not Many Labor Troubles.
Railroad circles have been comparatively free from labor troubles since the unauthorized strike called April 1, 1920, which was ended by order of the railroad labor board. Increasing wages, handed down July 20, 1920 and made retroactive to May 16 that year.

The unauthorized strike, called by an independent organization of yard employees headed by John Gruneau, of Chicago, threatened for a time to paralyze the nation's transportation facilities.

Thousands of yard employees in practically every important railroad center left their established unions, joined the new organization and quit work.

The big four brotherhoods responded by retooling charters wholesale and sent loyal union men into strike fields to operate trains and break the walkout.

Although no official figures were ever compiled, union leaders estimated that between 100 and 150 local charters were revoked and nearly 100,000 union men suspended for participating in the strike.

The Gruneau organization finally expired when the railroad labor board refused to recognize it or to order its members reinstated in the positions they formerly held.

The force permitted to remain on duty in past strikes, to protect property, depended on the circumstances of the strike. Mr. Jewell said, "Usually a small force was left on duty around shops to prevent deterioration of equipment, he said, and a small force was kept at union stations and depots to guard against any actual suffering on the part of stranded travelers."

"The men allowed to remain at work in our organizations," Mr. Jewell said, "will be decided on when we meet to complete the strike plans. We can't get how many that will be many."

RETIRED FARMER
COMMITTS SUICIDE
Bloomington, Ill., Oct. 15.—Eugene V. Debs, retired farmer, committed suicide by taking a large dose of poison Saturday. A family left to visit friends in Peoria at 7 o'clock Saturday morning returning at 11 o'clock last night. They smelled gas when they entered the house and found Debs sitting in a chair beside the kitchen stove, all of the gas of which were open. The coroner's jury returned a verdict of suicide.

DETECTIVES KILL
TWO BANDITS; TAKE ONE
Chicago, Oct. 15.—Two bandits were killed and a third captured today by Detective Sergeants Michael Grady and Ernest Dalghe when the three robbers attempted to hold up a laundry. Grady and Dalghe were nearby at the time.

The Oklahoma Indian who was fined \$1,000 and costs when convicted of the murder of his wife, must have a remarkable idea of justice as dispensed under the white man's law.

In Peoria, some street paving retopping has been done in a successful way at a cost of \$1.95 per square yard. There are good reports and bad reports as to the success of retopping brick pavements with asphalt, and the strange thing is that after so many years have elapsed there does not seem to be a definite agreement on the advisability of treating rough brick pavements in this way.

The Decatur Social Service League is just completing a successful campaign for the raising of \$20,000 for this year's work.

It is understood that the budgets for four Jacksonville organizations soon to participate in a campaign for funds will not be as large as that of the one Decatur organization. The task here should not be exceedingly difficult.

JACKSONVILLE INVITES YOU.

Merchants of Jacksonville are co-operating for the booster days' sales next Wednesday and Thursday. Scores of merchants have united in this plan, whereby each offers a very special bargain for the two days. The array of bargains is exceptional and a very unusual opportunity is thus afforded to the people living within the trade area around Jacksonville.

Read the announcement of these special bargains which appears in this issue of the Journal and you will come to an understanding of how sincere is the wish of the united merchants of Jacksonville to have hundreds of visitors in the business district next Wednesday and Thursday.

THE VALUE OF HEALTH WORK.

The definite benefits of public health work are abundantly proven in the statement of a life insurance company, which says that through this line of work in a generation, the average life of man has been increased by four years. Here is the comment of the Quincy Herald on this subject:

"White males, who have reached the age of ten, can expect on the average to live fifty

years more. A generation ago, the figure was only forty-six years.

"The life of man has thus been increased four years, in about a generation, says the Metropolitan Life Insurance company. This advance company, is the result of campaigns of health education and public health service.

"That, and not monkey glands, in the long run, will prove to be the road to an average lifetime of 150 years."

MR. FORD'S RAILROAD METHODS

Some interesting figures with reference to wages and railroad operation are given in the Literary Digest relative to Henry Ford's railroad. The figures show that while Mr. Ford raised the scale of wages affecting all employees, that at the same time he reduced operation costs very materially. This seemingly contradictory result came about because at the same time that he raised the wage scale he abolished the working rules.

Comparative figures show that the effect of the rules is to unduly hamper railroad managers, in handling of their employees in a way to secure the maximum of service within the hours of labor for which payment is being made. It is said that some railroad managers object much more to the present working rules than they do to the scale of wages.

MR. MAWSON'S GOOD RECORD

If earnestness in endeavoring

to do his duty as a public official counts for anything, F. L. Mawson will be easily re-elected county commissioner at the election to be held in November. Mr. Mawson has been serving as a member of the board for the past year and those who have paid attention to the business affairs of Morgan county could not have failed to notice the painstaking care with which Mr. Mawson has handled the business matters that have come to his attention.

Thought for the interest of the whole people has evidently been uppermost in his mind and Mr. Mawson has co-operated with his associates on the board in the endeavor to spend the tax money of the people in an economical way and at the same time afford the public those things for which they are paying.

CAMPS FOR BOY DELINQUENTS.

In a memorandum to President Harding dealing with the grave question of juvenile delinquency, Attorney-General Daugherty suggests the establishment of federal camps for the proper training of boy offenders. The idea is worthy of sympathetic consideration, says the Chicago Daily News. The juvenile courts throughout the United States, as well as the regular criminal courts, have been kept busy trying boys for serious crimes or misdemeanors, so-called, and other available institutions seldom succeed in changing the outlook and correcting the habits of youthful convicts. When they are released, the attorney-general truly says, they are prone to return to society with a bitter hatred of the social order.

Surely a better way of treating juvenile delinquency is possible, and the idea of federal camps for the training of boys convicted of certain offenses appears sound. In such camps crafts could be taught and clean, orderly right living could be enforced by precept and example. Modern criminology and social science lay stress on the part played by atmosphere and environment in the forming of mental and physical habits. The country may not be ready to adopt the more radical proposals of men of science in regard to the adult criminal, but it cannot afford to continue to neglect the problem of juvenile criminality. It is a social blunder, if not a crime, to make habitual offenders of wild, undisciplined boys whose waywardness and delinquency are attributable largely to their environment and who chiefly need a beneficial outlet for their energies.

THE RAILROAD STRIKE SEEMS NEAR AT HAND.

The definite announcement has now been given that the railroad union heads have been instructed by the general chairman to call their men out in a progressive general strike to begin Oct. 30. There have been indications for weeks past that this would happen, but the public has shown little alarm. Even now that definite announcement is made people generally will not be nearly as much disturbed as they would have been in years gone by.

For one reason it is nowadays a very difficult matter to alarm the public. So many important things have happened in recent years that people now refuse to be stampeded by rumors, and in fact they don't worry much about disasters or inconveniences until those things actually happen.

Still another reason why the public shows so little concern in the present situation is because the time for a railroad strike is quite opportune from a business viewpoint. Most cities have supplies of fuel and food that will be adequate for a strike period of a few weeks duration. The demand for coal for industry is now at a low ebb and that is another factor which will make the strike a less effective weapon in the hands of the railroad workers.

Considering these things and

some others, the observer inclines toward the viewpoint one of the trainmen's general chairman voiced several weeks ago to the effect that the railroad executives would really like to see a strike so that there may be a showdown and a revision of the whole railroad wage and freight situation.

NOBBY STYLES IN MILLINERY AT REASONABLE PRICES AT HERMAN'S.

ALTON WILL GET HIGHWAY MEET

Mississippi Valley Highway Association Will Meet There Next Year—Jacksonville Made a Strong Bid for Meet.

The Jacksonville members of the Mississippi Valley Highway association, made a strong fight for the convention of next year but Alton was chosen. There were several other cities that were strong contenders for the honor. The final day of the convention was featured by the selection of Cliff Williams of Meridian as president and the appointment of 25 active members to canvass the organization for the selection of the other officers and directors. W. J. Brady of this city made one of the booster addresses that were heard. He spoke of the fine hospitality shown by the southerners but reminded them that northern people can be hospitable too and hoped to have the opportunity to prove it.

This convention was considered the most successful ever held by the organization. An important feature was the recommendation of bridges at Cairo, Ill., and Mobile, to supplant the inadequate ferry service.

FINAL NOTICE

The time limit in which to pay wheel tax has expired and all persons owing and not paying this week will be prosecuted in accordance with the law.

FRANK KILORAN
Chief of Police

Mr. and Mrs. Harry Thompson from east of the city were calling on local friends yesterday.

Adam Jaeger made a business trip to Springfield Friday.

TEMPORARY RESIDENTS AT PARK PAVILION

Mr. and Mrs. Franz Nelson of Charleston, South Carolina, are living temporarily in the cloak room of the pavilion at Nichols park. Incidentally they are waiting for the completion of some repair work on their car and for funds they expect to reach them from relatives in Charleston.

Mr. and Mrs. Nelson reached Jacksonville Thursday accompanied by W. H. Pritchard and B. C. Perganski, both of whom are in the U. S. navy and on furlough. The party started on an automobile trip from a western state to South Carolina, but met so many mishaps with their car that their funds were exhausted when they reached Jacksonville.

The circumstances in the case were told by Supt. Hopper of Nichols park to Mrs. Hollinger and Mrs. Wehl who were at the park Thursday. Later Mrs. Hollinger interested the Red Cross in the case and funds were advanced for Messrs. Pritchard and Perganski to go by rail to Charleston, which they were required to reach soon or violate their furlough conditions.

The case was also reported by Mrs. Hollinger to Mayor Crabtree and he asked Chief of Police Kiloran to look into the situation. As a result Chief Kiloran called on Mr. and Mrs. Nelson at the park and offered to care for them at a hotel. However, he found that the travelers were quite comfortably located at the park and all that they needed was a moderate loan of money to meet their needs until the receipt of funds from Charleston. It is quite an unusual case and one in which local organizations and individuals have co-operated to afford the necessary relief.

Plaid back overcoats, all wool, snappy colors and styles. Tailored to measure 28.75, \$30.00, \$33.50, \$35.00. Come and see. Open evenings.

SPECIAL BARGAINS DURING AUTO SHOW WEEK AT HERMAN'S

AT "MOUND VIEW" SATURDAY AFTERNOON

The Sunday school class of the Central Christian church, taught by Mrs. Aileen L. Rice, enjoyed a real jolly time at her beautiful country home west of the city.

Games, horseback riding, nut hunting, music and plenty of good eats were indulged in.

The day will long be remembered as one of the bright ones in the lives of everyone present.

Those present were, Roland McLin, Harrison Stein, Ralph Helenthal, Harry Strahan, Garret Campbell, Ivan Fitzsimmons, Alden Miley and Robert John Miley.

VISITOR FROM PEORIA
John Brown of Peoria Heights expected to return home today after a visit with his brother-in-law Harry Cobb of this city.

Mr. Brown was a resident of Jacksonville a long time. He said he was born in a log house just south of the spot now occupied by the Anderson blacksmith shop and he had many recollections of those early days.

Improve Your Looks

It is simply astonishing that many people refrain from having glasses fitted because they imagine it might "make them look old."

This is just one of the little items in our profession where WE QUALIFY, we adapt YOUR glasses to YOU. Many of our patrons tell us that their friends have remarked "why, really, glasses are becoming to you, they actually improve your looks."

Presents TOM MIX

Monday and Tuesday

The Romance of a Brawny Ranchman and a Society Belle

TOM MIX

That Whirlwind Star, in

'The Big Town Round-Up'

"The Big Town Round-Up" Tom Mix will exhibit what is said to be an exceedingly fine line of rescue work. The "Round-Up," in which the action switches from a ranch to 'Frisco and back again, is crowded, of course, with thrilling incidents—else it would not be a Mix entertainment. Among the thrills are a number due to rescue work.

For example, Mix rescues a girl from a ruffian's insults by throwing the ruffian off a speeding train. He rescues this same girl later from a bunch of city thugs

in a cafe. He rescues the heroine from a big rattlesnake on his ranch by his accurate long distance aim with a rifle. He rescues her again in the city when she falls before a stampeding steer at the stockyards. And he saves from death in a city park a little girl who is hanging head downward on her runaway pony. Also he is kept tolerably busy rescuing himself from his enemies.

When Mix isn't rescuing somebody he's fighting a gang of thugs—with intermissions for attention to the Only Girl.

BROTHERHOODS ISSUE STRIKE ORDER

(Continued from Page 1)

of Railway Signalmen of America; United Brotherhood of Maintenance of Way Employees and Railroad Shop Laborers, Order of Railroad Telegraphers, Brotherhood of Railway Telegraphers; Brotherhood of Railway Carmen of America; International Brotherhood of Electrical Workers; International Brotherhood of Boiler-makers; Iron Shipbuilders and Helpers of America; International Brotherhood of Blacksmiths, Drop Forgers and Helpers.

Five hundred general chairmen of the big five brotherhoods and the Switchmen's Union of North America were on their way home tonight from a week's conference in Chicago with the signed authorizations for a strike in their pockets.

No further orders will be necessary the brotherhood chiefs said, to call out rail workers on every big line in the country. Grand officers of the brotherhoods left for Cleveland tonight.

Progressive Walkout. Printed instructions were handed every general chairman to govern the men's conduct. These authorized a progressive walkout, the first at 6 a. m., Oct. 30, to be followed by the other three secret groups, each 24 hours, October 31 and Nov. 1 and 2.

Every chairman carried in a sealed packet a code word for use if the strike is called off. In event of receiving the code word from headquarters each chairman is to open his pocket to identify the word.

No reservations are made in the strike authorizations.

Skelton service, outlined in the by-laws of the unions, is to be maintained, but otherwise other men are expected to walk out. The instructions declare the men have "identically the same right to refuse to perform service on a mail train as you have to perform service on a freight train."

Arriving at their respective headquarters, general chairmen of the brotherhoods and switchmen will immediately issue system orders over the general chairmen's signatures, carrying the hour and date of the strike. These orders will go to local chairmen who will pass them to the rank and file.

Altho complete plans for the other eleven of the sixteen standard railroad organizations were incomplete tonight, it was said the general procedure would be much like that of the brotherhoods.

Stone Says "We're All Thru." Warren S. Stone, grand chief of the engineers, declined to comment on the conference of this week. He said an announcement might be made from the Cleveland office later.

"We're all thru," Mr. Stone

said. "I can't tell you anything now but the die is cast."

W. G. Lee, president of the trainmen said he had used every influence to avert a strike on the basis of the twelve per cent wage reduction of July 1, 1921, but that he felt any further reductions would justify a walkout.

"I want it understood that I used every influence to avert a strike on the wage reduction of July 1," Mr. Lee said. "I preferred to accept that reduction with the assurance that there would be no further wage reduction or change in our working rules for a reasonable period."

"I felt that if the railroads got thru these business conditions they would be in position to pay the present rates of pay."

Mr. Lee refused to comment on the strike order altho he admitted that he had already sent out one authorization to strike to trainmen on the International and Great Northern. Trainmen on this road which operates between San Antonio and Palestine, Texas, asked to strike at noon, Oct. 22 independently of the other groups. Mr. Lee gave his authorization several days ago and it still stands. The road however, is included in the first group scheduled to walkout, and the trainmen may defer action until Oct. 30.

L. E. Sheppard, president of the conductors, said he could say nothing reiterating his announcement of several days ago that no official statement would be given out here.

While only four of the big brotherhoods and the switchmen's union have actually mailed the strike call, the railway employee's department, American Federation of Labor known as the Federated Shop Crafts, is acting in concert with them. The shop crafts, 127,000 of whose first million members were the first to vote to quit work embraces six organizations, the machinists, boiler-makers, blacksmiths, sheet metal workers, electricians and carmen.

TEXAS C. OF C. DENOUNCES KLAN

Dallas, Texas, Oct. 15.—A resolution denouncing the Ku Klux Klan as an unlawful institution which does violence to both men and women and violates the constitution of the United States and that its promoters are working for purely mercenary motives, was adopted by the Texas chamber of commerce in annual convention here today. The resolution will be printed and copies sent to Texas congressmen and to other commercial organizations.

WILSON AND TAFT ARE PLACED NEXT TO THE PRESIDENT

Are Among Invited Guests to Ceremonies for Unknown Dead

WASHINGTON, Oct. 15.—The names of Woodrow Wilson and William Howard Taft, as ex-presidents of the United States have been placed next to that of President Harding's on the list of invited guests to the ceremonies at Arlington, November 11 when the American unknown dead will be honored by the nation.

Other distinguished guests announced today by Secretary Weeks include Vice President Coolidge, the justices of the supreme court, members of President Harding's cabinet; congressional leaders, members of the diplomatic corps; delegates to the limitation of armament conference; foreign military officers of high rank; the governors of the states, the heads of veterans' organizations, and representatives of the American Red Cross and other public societies.

Secretary Weeks announced that about four hundred congressional medals of honor men in the United States would be invited, provided congress appropriated sufficient funds for their transportation to Washington and return home.

WOULD DEVELOP ESTHETIC TASTE

Springfield Art Club is to Bring to Public of That City a Wider Appreciation of Art.

SPRINGFIELD, Ill.—(By A. P.)—Instructions of the Springfield public in the wider appreciation of art is the task the Springfield Art club has taken upon itself, in announcing the opening this week of the Springfield Art school, with seven art courses and free public school lectures under the direction of Dudley Crafts Watson, director of the Art Institute of Milwaukee.

This was accompanied by an announcement that the Art Institute of Springfield will be open to the public free. Mr. Watson will have classes at the institute every other Wednesday in drawing, painting, modeling, designing and craft work, and also night classes for men and women in commercial art and painting and drawing.

Each day he is here Mr. Watson also will spend one hour in the public schools, one hour conducting school children on a tour of the gallery, and one hour in directing a free sketch class for school teachers, art club members and selected school children. Besides all that he will conduct a gallery tour for club members and will lecture before the various clubs of Springfield each fortnight.

Members of the local art club regard their program as one of the most ambitious ever attempted in arousing a greater public sentiment for art. This month the gallery holds large loan collection of American art. Other collections will be exhibited as follows:

In November, arts and crafts including batiks. Exhibit by artists of Springfield and vicinity.
December: Oil paintings of the Cupid of American painters.
January: Oils by Robert Von-der-Elst, statues by Louise Pons-Vonoh; oils by Harriett Cantrell.
February and March to be announced.
April: Colored etchings.
May: Portraits and landscapes by H. S. Hubbell of Pittsburgh, Pa.; Mrs. Howard T. Willson of Virden is president of the Art club, and Mrs. Latham Souther, Springfield, is first vice-president.

NOT MANY MEN WILL

AGREE TO THIS

TALLAHASSEE, Fla.—(By A. P.)—A wife has the right to be alone with a man friend on a public highway without interference from her husband, according to a recent decision of the Florida supreme court.

The case came up through a husband meeting his wife riding alone with another man. He attacked the man, and as a result of the fight that ensued his wife's companion was convicted of assault with intent to murder. The state supreme court reversed the lower tribunal.

There may have been a time when a wife was regarded as her husband's chattel and being on alone on a public road with another man regarded as sufficient provocation to justify the husband in making an assault upon her companion, but this is no longer true, when women enjoy equal freedom with men," said the opinion read by Chief Justice Brown.

"The mere walking or driving of a married woman with another man, or a married man with another woman, is not sufficient provocation to justify an assault by either spouse, and the greater freedom of intercourse between men and women in this day protects them from unwarranted attacks by a jealous husband or wife, who sees in innocent acts of social intercourse 'confirmations of sin' as proofs of holy writ," that they are flagrantly immoral."

Bridgeport, Cal.—(By A. P.)—Years ago Mark Twain wrote about the astringent qualities of the water in Mono Lake, Mono county, but it remained for later day Californians to remember what he said about minerals in this body of water. The salts are said to be of use as washing powder, as a basis for shampoos and for other purposes.

WORTH WHILE GIRLS OF MANCHESTER MET

Girls of Baptist S. S. Meet at Home of Miss Florence Lemon—Another Case of Scarlet Fever Reported—Other News Notes.

Manchester, Oct. 15.—The Worth While girls of the Baptist Sunday school met Friday evening at the home of Miss Florence Lemon, with Golden Kochester as leader. Roll call was answered with a verse from the "Life of Paul." After the business session a social hour with games and music was enjoyed. The hostess served refreshments of sandwiches, pickles and coffee. Twelve members and two visitors were present.

Mrs. Frank Knight and Mrs. Eugene Knight and Mrs. Grace M. Johnson of Indianapolis visited Mrs. J. H. Langdon and Mrs. Anna Caldwell Thursday.

Another case of scarlet fever is reported here. William, little son of Mr. and Mrs. Walter Wheelwell, the child has been quite sick for several days but not until Thursday was it pronounced scarlet fever. Dr. Smith of Roodhouse and Dr. J. W. Weis are the attending physicians.

Elmer Aldred moved his household goods from Roodhouse Friday and for the present will reside with Mrs. Aldred's mother, Mrs. Belle Gidney.

Mrs. Margaret Wyatt is on the sick list.

Mrs. Anna Caldwell and niece Miss Emily McCracken, and Mrs. M. L. Robinson shopped in Jacksonville Saturday.

Mrs. Fred Peck has been ill for several days, but is now improving.

The basketball game played between Manchester and Patterson Friday afternoon resulted in a victory for the home team, the score being 27 to 15.

Mrs. Kathryn Shale arrived Saturday from Kansas City for the purpose of drilling the fifty children for the "Tom Thumb Wedding" to be given at the Christian church Tuesday evening Oct. 18th.

Members of the "hike club" together with the basketball team enjoyed a picnic supper in the country Friday evening. The company included Misses Helen Kinslow, Louise Dawson, Bernice Howard, Ruth Rimbey and Lucille Lakin, Glen Webster, Roy Lakin, Christopher Walker, Verba Gilmore, Russell Lankford, John Hardy and Harry Horton.

ACQUIRE SHRINE OF EDGAR ALLEN POE

RICHMOND, Va.—Altho the old stone house in Main street, not far from the Confederate Soldiers' and Sailors' monument on Libby Hill, has been acquired by the Association for the Preservation of Virginia Antiquities and will be known as the Edgar Allen Poe shrine, it is contended by some that the poet had no connection with the building and that the houses in which Poe lived here all have been destroyed.

The old stone house is presumed to be the oldest building in the city and is believed to have been constructed in 1695. It was believed by many persons to have been George Washington's one time headquarters and has been referred to as such. The structure has been completely restored and will be thrown open to the public next month.

In the rear of the house a pergola has been built of brick, stone and beams that came from the old office of the Southern Literary Messenger, which Poe edited. In the yard of the premises will be seen a garden designed to perpetuate the idea of Poe's "Enchanted Garden," the original of which is supposed to have been at Second and Franklin streets.

LINCOLN HIGHWAY WILL

SOON BE OPENED

Chicago—(By A. P.)—Within three weeks, possibly, two, the Geneva-Etoburn detour on the Lincoln highway will have been eliminated, says the weekly report on road conditions issued by the Chicago Motor club. Paving work has been completed and only some bridge construction remains to be finished.

The Waukegan road is closed at 18th street, North Chicago, and motorists are warned not to destroy or go thru barriers.

Opening of the River road, from Roosevelt road north to Milwaukee Ave., in Chicago a distance of 17.6 miles was accomplished Oct. 9, thus forming an outer drive between north shore and west side points without entering the congested section of Chicago.

The paved road, state highway No. 4, is open for traffic between Staunton and Edwardsville.

It is expected the Chicago-St. Louis road between the Putnam county line and Bureau will be completed this month. It is now paved between Spring Valley and LaSalle, but no work is being done between Bureau and Spring Valley.

From Danville to Decatur a route is recommended south to Georgetown, right on concrete thru Indianapolis, Sidel, Alton, Broadlands, eight miles south to Newman, then the Ocean-to-Ocean highway No. 1 to Crisman and west on the Ocean-to-Ocean.

The detour on the National Highway and Dexter and that three miles east of Vandalla, will be eliminated about Nov. 1.

John Way was a business visitor from Virginia.

Dr. L. Smith was a local visitor from Chain Saturday morning.

John Rexroat was in town from the vicinity of Virginia Saturday.

FARMER-LABOR PARTY DRAFTING ITS PLATFORM

Public Ownership of All Utilities to Be Advocated

(By The Associated Press)

AURORA, Ill., Oct. 15.—The Farmer-Labor party of Illinois in drafting a platform here today W. G. Brown, of Chicago, secretary of the national organization said, would sound the keynote for the national party declared for complete legal and social equality of women, and men including the abolition of the double moral standard.

Public ownership of all public utilities including railroads, grain elevators, warehouses, stock yards, the meat packing industry, and insurance. A democratic system of free public education from kindergarten thru university.

Abolishment of employment for children under 16.

Exemption from taxation of workers' homes and tools of production.

State provision of cheap credit for farmers.

Abolition of a board of trade and "all gambling in foodstuffs and other necessities of life."

A bonus for the ex-service men. Old age and health insurance.

STATISTICIAN SAYS

FIGURES MISLEADING

WASHINGTON, Oct. 15.—Presentation of labor's case in the senate interstate commerce committee's investigation of general railroad conditions, was begun today by Frank J. Warne, statistician for the railroad brotherhoods.

Charges were made by Mr. Warne that misleading and incorrect figures regarding railroad operation receipts and net incomes had been presented to the committee during recent months by the railway executives.

The witness denied that the had suffered heavy losses from government control and said their revenues during the war were the largest in history.

The railroads in recent years, Mr. Warne stated, had made large expenditures for permanent improvements, paying for them out of operating revenues and charging them as expenses of operation. He also charged that roads had manipulated maintenance accounts so as to affect favorably or adversely their net operating revenue and income results.

AT WESTMINSTER CHURCH

The first reels of "The Stream of Life," a moving picture depicting a great truth, will be seen at Westminster church tonight. Dr. Smith will speak.

REVIVAL OF GOLD MINING

Sacramento, Calif.—(By A. P.)—A pronounced revival of activity in the gold mining fields of northern California and Nevada, where the 48ers once operated, is being manifested, according to reports reaching this city, and most of it, it is believed is due to the declining costs of materials used in gold mining operations. Reduced cost of labor also is a factor in the revival of activity.

Within the last two weeks much work has been done in the Mother lode district in Amador and Calaveras counties of California as well as in the Grass Valley district of this state. Nevada gold and silver mines both are showing signs of awakened interest.

NEWS OF THE SPORT WORLD

ILLINOIS COLLEGE WINS FROM NORMAL

Blue and White Team Takes Visitors Into Camp by Score of 35 to 0—Illinois Shows Greatly Improved Form—Normal Was Unable to Penetrate the Local's Defense

In a game marked by brilliant playing by the victors Illinois College defeated Illinois Normal on Saturday afternoon by a score of 35 to 0.

Those who saw Coach Harmon's team play against Blackburn two weeks ago would not have recognized it as the same team. In the interval Illinois has ironed out the rough spots in her team work and yesterday the work both on offense and defense was excellent.

Normal proved a worthy foe, but could not withstand Illinois' attack on the line. Neither could they stop her end runs. It was this together with an impregnable defense that soon gave Illinois the edge on her opponents.

Seldom have we seen a line that held better than Illinois' yesterday. The line from end to end played as one man and the visitors' attempts at the line nearly always resulted in losses.

Capt. Cully ran the team with excellent judgment and was a bear both on offense and defense. Time and again it took several players to get him down and he seldom carried the ball without making a substantial gain.

In close competition with Cully was Rogers and Jones. Rogers tore the Normal line to pieces and Jones was one of the most elusive runners the Normal players had seen. They had to make several grabs before they finally got him down.

Mellon also was in the line—light on the receiving end of two forward passes that were turned into touchdowns. Ferreira ran interference well and after Cully went out of the game he ran the team with good judgment.

Normal was unable to make

any substantial gains through the Illinois line or around her ends. The only way they could gain was through the forward pass. They had a good formation for the aerial attack but only got away with a few of them.

Scores First Touchdown. At the beginning of the game Illinois kicked off to Normal and soon forced her to kick. Illinois immediately began an attack on the Normal line interspersed with end runs. Jones, Cully and Rogers carrying the ball. A pass, Jones to Cully, put the ball over and then Cully kicked goal.

Illinois again kicked off and soon compelled Normal to kick. After carrying the ball well down the field, Illinois lost it on a fumble but soon regained it. It was then a steady march to the visitors' goal where Rogers finally went through for a touchdown and Cully kicked goal. Normal tried a drop kick near the end of the first quarter and it was

Illinois' ball on the twenty-yard line.

After the ball had passed over several times at the beginning of the second quarter Illinois finally got the ball and carried it steadily down the field inside the visitors' five-yard line. Here a pass was tried. A Normal man touched the ball but Wright grabbed it before it reached the ground for a touchdown. That was all the scoring in the second quarter.

Normal kicked to Illinois at the beginning of the third quarter. Normal intercepted a forward pass and took the ball. The ball went over several times during the quarter, neither team having the necessary punch to put over a score. The ball was in possession of Illinois on Normal's sixteen-yard line when the quarter ended.

Score Two More.

Soon after the start of the third quarter, Jones and Cully carried the ball down the Normal goal line, Cully going over for a touchdown and kicking goal.

The last touchdown came soon after Illinois had kicked off to Normal. Normal was forced to kick. After Illinois had made first down on line plays Cully passed to Mellon, who carried the ball thirty-five yards. Mellon then took another pass behind the goal line and Cully kicked goal.

Coach Harmon then sent in practically all of his second team into the game. They were able to hold Normal, though they got away with several forward passes. Illinois had just forced Normal to kick and had made first down when the time was called.

The lineup:

Illinois	Normal	
Mellon	re	Litwiller
Reiss	rt	Brickey
Burrus	rg	Fristow
Fiedling	lg	Doty
Gunn	lg	Carlson
Reid	at	Sullivan
Wright	ie	Changnon
Cully	qb	Roman
Ferreira	rb	Sterling
Jones	lb	Courtright
Rogers	fb	Stuhmer

Ohio Staged Comeback Defeating Minnesota

COLUMBUS, O., Oct. 15.—Ohio State staged a comeback today. The Buckeye's considered practically all of the fight for Western Conference honors after a defeat by Oberlin a week ago, today returned with a punch that rolled over Minnesota for a 27 to 0 victory and demonstrated that they will again have to be reckoned with in mid-western football. It was the first time the two teams have met.

Displaying an offense before which the Gophers were forced to give way the Ohioans four times crossed their opponent's goal line, while they were never in danger of being scored upon excepting in the first period when Martineau missed a thirty-five yard drop kick. Gopher attacks, excepting for a short time in the early part of the game were broken up by the Ohioan's forwards and their forward passing attempts proved

JACKSONVILLE HIGH DEFEATS LINCOLN

Locals Walk on Opponents by Score of 21 to 7—Team Played Good Ball Thruout.

Jacksonville won its first game away from home this season at Lincoln yesterday afternoon when they tramped on the Lincoln high school team by a score of 21 to 7.

With the exception of the second quarter when Lincoln scored their only point the locals played excellent football and easily held Lincoln which outwitted the locals many young players.

Hunt showed improvement in running the team while he carried the ball well. Arter, C. Hopper and Lewis also played an excellent offensive game. The Jacksonville line again displayed its strength and it was difficult for Lincoln to make much headway.

At the opening of the game Jacksonville kicked off to Lincoln and soon forced them to kick. Jacksonville recovered a fumble by Lincoln and E. Arnold was sent over for a touchdown. Hunt kicked goal.

Jacksonville's second touchdown was made thru a series of line and end plays. C. Hopper going over for the touchdown and Hunt again kicking goal. The third touchdown came after the locals had worked the ball down the field to within striking distance. Then Hunt passed to Arter behind the goal line for a touchdown and followed it by kicking goal.

Lincoln's lone touchdown came in the second quarter. The Jacksonville line availed temporarily and Lincoln by a series of delayed passes and line bucks scored a touchdown and kicked goal.

Seconds Lose to Versailles. The Jacksonville High school second football team had a battle royal at Versailles yesterday afternoon, losing a great game by a score of 15 to 18. Injuries were numerous among members of the local team. Yates, the colored end, suffering a broken ankle in the first few minutes of play, and young Sanders received a cracked rib. He got his injury in the first part of the last session but finished the game. He had to be carried into the dressing room however and was pretty well done up.

Woods of the locals made the first score on a forward pass. Jacksonville missed the goal. Versailles made their first tally in the second period and also missed the goal, making it six and six. The Versailles team also scored in the third quarter but again missed the goal. In the first part of the last period, Camm, of the local backfield, made a smashing ten yard plunge thru the whole Versailles team and scored a touchdown. This time goal was kicked. In the last few minutes of play the Versailles men made another touchdown, and falling to kick goal, made the final score 18 to 15.

Jacksonville's second team has shaped up in fine style and is playing real football. Their next game is with Rushville on Nov. 5.

KERR AND SCHALK TO PLAY AT CANTON TODAY

CANTON, Ill., Oct. 15.—"Wee Dieker" Kerr, Ray Schalk and Everett Yaryan of the Chicago White Sox, will appear here tomorrow at the battery of the Canton baseball team in a game against a nine composed of picked men from Macomb, Colchester and Bushnell players.

Schalk will bring Yaryan with him to handle part of the backstop job because of his injured finger split in the Cubs-Sox city series in Chicago.

SPRINGFIELD BEATS BLOOMINGTON HIGH BLOOMINGTON, Ill., Oct. 15.—Springfield high school football team defeated Bloomington high school here this afternoon by a score of 14 to 7.

FURNITURE FOR SALE Including piano, gas range, ice box, beds, chairs, tables, etc., etc., beginning Monday morning. 242 Webster Ave. GEORGE LUKEMAN

INDEES AND BROWNS TO PLAY THIRD GAME

Seymour Will Oppose Cain on Monday—Cox to Play With Indies.

The Indies and Browns will hook in the third game of their series at South Side park this afternoon.

Each team has now won a game and the contest will be for blood today. The Indies will have Seymour on the mound and if he is right, the Browns will have their work cut out for them.

Cain, who held the Indies to two safeties last Sunday, will work for the Browns. He is a hard pitcher to beat but the Indies hope to take his measure today.

Manager Smith announced last night that Cox would be in the Indies lineup this afternoon. Cox will materially strengthen the Indies with his hitting. The game will be called at 2:30 o'clock.

MILLIKIN DEFEATED KNOX COLLEGE 7-0

GALESBURG, Ill., Oct. 15.—Knox College was defeated by Millikin 7 to 0 in a hard fought game today. Millikin's score was made in the final quarter when Abrams crossed the line for a touchdown. Hutch entered was centered on the game as the two teams are considered as being the strongest in the state conference.

MICHIGAN WON FROM MICHIGAN AGGIES

ANN ARBOR, Mich., Oct. 15.—Michigan wore down the stubborn defense of the Michigan Aggies today and won, 30 to 0.

The farmers held Vost's machine to a single touchdown and goal in the first half. Michigan was weak in aerial play.

BADGERS TRIUMPHED OVER NORTHWESTERN

CHICAGO, Oct. 15.—Playing its first game of the Big Ten season, Wisconsin triumphed over Northwestern, 27 to 0, today. The day was homecoming at Northwestern.

The defeat was the third straight for Northwestern. The Badgers outlasted the Northwestern team in open play. Elliott scored three of Wisconsin's four touchdowns, carrying the ball over in the second, third and fourth periods. Gould made the first touchdown in the opening period. Forward passes played an important part in the Badgers' attack.

DRAKE UNIVERSITY BEATS KANSAS

Lawrence, Kans., Oct. 15.—The Drake University football team defeated Kansas University here today by the decisive score of fifteen to seven.

Drake scored early in the first quarter when McAdams, fumbled behind his own line. McAdams recovered and Benton downed him behind the line. Later in the quarter Griffin received a pass over the line for a Kansas touchdown and Wilson kicked goal.

NOTRE DAME FINDS PURDUE U. EASY

LAFAYETTE, Ind., Oct. 15.—Notre Dame scored an easy victory over Purdue today, 33 to 0. Big gains were scored through the Purdue line and two Purdue fumbles were converted into touchdowns. Play was in Purdue territory until the last quarter when Notre Dame sent in substitutes.

MONMOUTH HIGH DEFEATS ROCK ISLAND

MONMOUTH, Ill., Oct. 15.—Monmouth high school defeated Rock Island high school, 20 to 14, in a football game here today.

MIDDIES WON FROM PRINCETON

ANNAPOLIS, Md., Oct. 15.—The Annapolis midshipmen avenged last year's defeat by Princeton, by taking the measure of the Tigers in a fiercely-fought game today, 12 to 0.

The Middies scored a touchdown and goal in the second period.

In the fourth period, King kicked two placement goals from the twenty-five line.

ROODHOUSE WINS FROM WHITE HALL

Roodhouse high school defeated White Hall high school at Roodhouse Saturday afternoon by a score of 6 to 0. The Roodhouse team outwitted the White Hall boys and also outplayed them. White Hall could make no headway against Roodhouse except through forward passes. The game was witnessed by a large crowd.

CORNELL SCORES AT WILL ON WESTERN RESERVE U.

ITHACA, Oct. 15.—The Cornell football team scored almost two points a minute today against the Western Reserve university eleven, defeating the Ohioans 119 to 0.

YALE DEFEATED WILLIAMS 23 TO 0

New Haven, Oct. 15.—Yale defeated Williams today, 23 to 0, in a game featured by brilliant attack on both sides. Yale scored in each period getting touchdowns.

IOWA BLASTS HOPES OF ILLINOIS UNIVERSITY

Coach Jones' Juggernaut Flattens Out Zuppke's Machine 14 to 2—Iowa Outplayed Illinois Thruout the Contest—Locke and A. Devine Star for Iowa Team

IOWA CITY, Iowa, Oct. 15.—The state university of Iowa football team moved a step nearer the coveted Western Conference grid championship here today when it triumphed over the University of Illinois by a score of 14 to 2.

Iowa's victory was well earned. It came from two touchdowns by Gordon Locke, plunging full back of Coach Howard Jones' machine. One was scored in the second period and the other in the third. Locke's gains also were largely instrumental in putting Iowa in position to score.

The Hawkeye team was never in any serious danger, the two points scored by Illinois being the result of a fifteen yard penalty which put their backs to the wall, followed by a poor pass from center which rolled over the goal line where Captain Aubrey Devine fell upon it for a safety, which gave the Orange and Blue a meager two points.

Illinois never had the ball with scoring range while Iowa repeatedly threatened the visitors who played a defense game thruout, except when they made a few sporadic attempts in the final period that netted a few first downs. Illinois attempted fourteen forward passes but only four were successful.

Iowa repeatedly ripped gaping holes in the Zuppke forward wall. A great crowd of Iowa home-comers filled all the regular seats and boxes in addition to temporary bleachers at each end of the field.

Iowa's first touchdown was the result of sensational smashing of the Illinois line. A Devine intercepted a long forward pass and returned it to midfield, giving his team its scoring opportunity. The thrusts of Locke and A. Devine through center and off the tackles, carried the ball to the Illinois twenty-yard line. Three successive drives at the Illinois line, netted gains of twelve, seven and one yard, and a touchdown.

The second touchdown was made in the early part of the first half and was preceded by a thrilling run by Locke, who plunged through a big hole in the center of the line, twisted, turned and shook off tackler after tackler, carrying the ball to the Illinois twenty-four yard line. Locke then made five yards. A Devine four and Locke five more. Devine hit of tackle for three and Locke plunged through over the goal line. A. Devine kicked both goals.

Illinois, with defeat facing them, made a decided spurt after the second touchdown, but while they reeled off a few first downs, they never threatened Iowa seriously and except for a penalty on Iowa, probably would never have scored.

Devine let a pass from Center escape him and when he was downed behind his goal line, after recovering the ball the Hawkeyes' shutout was spoiled.

The figures show clearly Iowa outplayed Illinois. Iowa made sixteen first downs to its opponents' six, made 355 yards from straight scrimmage plays to Illinois' ninety and completed two passes out of six attempts for eighteen yards, while Illinois completed only three out of fourteen for thirty-six yards.

Iowa, however, was penalized seventy yards to Illinois' twenty-five.

The Iowa triumph puts the team in line now for an undefeated season. Coach Jones has two weeks in which to prepare his team for Purdue on October 29. It was a sweet victory for

HARVARD VICTORIOUS.

CAMBRIDGE, Oct. 15.—Harvard defeated the University of Georgia today, 10 to 7. Harvard scored on by the southern team the first time this season.

BEAT CALIFORNIA IS COAST SLOGAN

SAN FRANCISCO, Cal.—Football teams, representing the big universities and colleges of the Pacific Coast, nearly all stronger than they were a year ago, swing into action early in October with games against the club teams and smaller schools. The first Pacific Coast conference games are scheduled for Oct. 22.

"Most of the coast teams will be

stronger and competition will be something fiercer this year," says Huntington, head coach at the University of Oregon said recently in giving his views of the coming season.

University of California, which won the conference title last year with an unprecedented total number of points and defeated Ohio State University at Pasadena, Cal., New Year's Day, this year promises to have another "wonder team." Only three members of the undefeated 1920 eleven did not report for practice this season.

"Beat California," appears to be the motto of all coast teams on the Blue and Gold schedule. The other conference members, Stanford University, University of Washington, Oregon, Washington State College and the Oregon Agricultural College, seem determined to take the championship away from the California team. The Californians say it can't be done.

Two coaches new to the conference will handle teams this season. One is Enoch Bagshaw, University of Washington graduate, who has returned to his alma mater to help her team out of the last place ditch it was in last year. The other new coach is Gene Van Ghent, former Wisconsin player who will handle Stanford.

Outside the conference, the University of Southern California, University of Nevada, St. Mary's College, Williamette University, Occidental University and Whitman College are building up strong teams in the hope of defeating the organization members when they meet.

CHAPIN HIGH SCHOOL GIVES LYCEUM COURSE

First Number Given Friday Night Was Success in Every Respect—Alderson Family Drives to Missouri Town—Other Chapin News.

Chapin, Oct. 15.—The first number of the Lyceum course put on by the high school was well received. The young ladies who appeared Friday night were exceedingly clever and more than pleased the large audience.

Helen Sidles was a Jacksonville visitor Saturday.

Mr. and Mrs. Jacob Hoover were shopping in Jacksonville Saturday.

Alden Allen and Miss Martha Lehman accompanied by Mr. and Mrs. B. H. Allen of Versailles, motored to Quincy Saturday.

Mr. Hy Alderson and family drove to Brunswick, Mo., to visit F. E. Nieman and sister, formerly of this neighborhood. They left Friday morning and expect to return Monday.

Ira Aufdenkamp expects to spend Sunday in Springfield.

Mr. and Mrs. J. F. Burnham motored to Havana to spend the week end with friends.

Rev. and Mrs. O. W. Lough and children were guests of honor at a reception given at the Denby Kilbourn home in the Markham neighborhood, Friday night.

Mr. and Mrs. G. A. Allen were Jacksonville shoppers Saturday evening.

Mr. and Mrs. C. F. Duckett were among the Thursday shoppers in Jacksonville.

Mr. and Mrs. Harris Robertson and daughter, Helen Lucille, of Petersburg, are spending the week end with Mr. and Mrs. J. Z. Fox.

Mrs. Elizabeth Bridgman visited in Bluffs Saturday.

Mr. and Mrs. James W. Wallace were Jacksonville visitors Thursday.

Arthur Perfix was among the Jacksonville visitors Thursday.

Y. M. C. A. Notes

Fourteen new Y. M. C. A. secretaries have sailed for foreign lands this summer. In the minds of officials of the Foreign Division of the Y. M. C. A., no more representative group of secretaries ever started for the mission field.

One is to work in Japan; five in South America; one to Korea; two to Mexico; one to India; one to Manila; one to Egypt. These men go out for various specialized phases of Association work—general, boys, physical, educational and the like.

In addition thirteen furloughed secretaries and their families are returning to their respective fields.

When one considers the magnitude of the task in foreign lands, when one considers "how thin each of these men must spread himself" it seems futile to have them start. But swinging around to the other side of the question, considering business qualifications necessary in a foreign secretary, fourness is no mean figure.

Most of these secretaries are married, which means that not only will the men do definite Y. M. C. A. work in foreign lands, but that loyal, interested wives will carry their share of the load.

What One Dollar Will Do.
\$1 spent for lunch lasts five hours.
\$1 spent for a necktie lasts five weeks.
\$1 spent for a cap lasts five months.
\$1 spent for an automobile lasts five years.
\$1 spent for water power or railroad grade lasts five generations.

\$1 spent in THE SERVICE OF GOD lasts for ETERNITY.

—ROGER W. BABSON.

In Babson's Report, April, 1921.

When the Y. M. C. A. sends a secretary to the city ye, or, ay.

RUSSIA TERMED "SMILELESS LAND"

Associated Press Correspondent Said He Never Heard Heavy Laugh During Stay in Famine Stricken Country.

NOTE.—The subjoined article giving a graphic description of the gloomy mental attitude of the hungry people of Russia, was written by a staff correspondent of The Associated Press who entered Russia with the American relief workers when the famine opened the doors of that country after they had been closed for more than three years.

The writer not only visited Moscow but penetrated to the famine-stricken districts of Samara and Kazan where the first American food was distributed and whence he sent by cable stirring stories of the scenes he witnessed.

MOSCOW — Russia is a smileless land. In more than 2,000 miles of travel on Central Russian railways and rivers The Associated Press correspondent hasn't heard a single hearty laugh. The experience and oratory of the first year of Bolshevism have disappeared.

Speakers no longer tell of the glories of proletarian rule from the corner curbstones. Red army soldiers no longer jeer at the bourgeoisie, for all have settled down together to the difficult task of getting enough to eat; and persons who have not tried existence in present-day Russia have no conception of how difficult it is to satisfy the most primitive human needs.

Nearly every man and woman met on Moscow or Petrograd streets today is carrying some sort of food parcel or bargaining with food dealers on the street corners. There is practically no wood and coal is not dreamed of. Oil is the only fuel. Every family has a primus on which the hot water for tea and the simple meals are prepared.

Under the housing system most persons have only one room in which to cook, eat sleep and do washing. All the talk one hears on the streets is of food. There are laments everywhere that the bread allowance isn't regular and the frequent expression of fears that the famine in the Volga districts will make the bread supply of Central Russia even worse.

Potatoes at 1,000 rubles a pound are the cheapest food on the market, but 1,000 rubles is a small fortune to most of the population and it takes a lot of oil to cook potatoes.

Political Strife Ended.

The days of political strife are apparently over. Russians have tired of theoretical politics. The anti-Bolsheviks no longer discuss the government. Paper decrees are showered unnoticed upon Bolshevists and non-Bolshevists alike. They are too busy in their strife for food and clothing to worry about what is going on in the Kremlin.

Streets without food shops are practically deserted in all the cities. The search for food is at once the work and the recreation of the public. Boulevards are lined with food wagons offering fruit, vegetables, bread and eggs, and the people seem far more interested in these than in the listless pedestrians and the little bands which give occasional evening concerts.

There seems to be no spirit of play left in Russia. Even the children are sad and quiet. Recently many toy shops have reopened. The Soviet government never requisitioned Noah's Ark and Teddy bears, so dealers in that class of goods are unboxing their old stocks and dressing Santa Claus windows.

Few moving picture theaters are open, and those are given over chiefly to government propaganda pictures. The opera season has not yet opened. Dramas are offered in several less important houses. It was in these theaters and in concert halls that the correspondent saw the only persons who seemed to relax and divorce themselves from the gloomy Moscow atmosphere.

Moscow newspapers and the newspapers in all the leading Russian cities are little more than government bulletins. Because of the shortness of paper they are generally only one sheet, and the greater part of the space is given over to long political articles. The newspapers are pasted upon dead walls. Crowds gather about them eagerly and scan the few foreign dispatches. The great majority of readers show no interest in the political leaders.

Moscow Street Crowds. Street crowds in Moscow present a strange and varied appearance. Unless the weather is sunny and warm there are very few pedestrians in the center of the city. Markets which formerly existed near Opera Place have been abolished and there are few food shops in what was formerly the great shopping center. In consequence, most promenaders go to the food-lined boulevards, and the slightest threat of rain drives the crowds to shelter. Boots and clothing are too precious to be exposed unnecessarily to the weather.

Really well-dressed men and women are never seen on the streets. There is no starch. Therefore, soft collars and shirts are a necessity and practically all men wear the soft-collared shirts and collars.

Russia was always green on uniforms. Railway employees and other civil employees of the government were uniforms under the old regime and still cling to the shabby uniforms, or make up their own, make up their own, make up their own.

men in the streets, and the second-hand clothing stalls display practically no clothing out of uniform.

Women have also availed themselves largely of men's uniforms in improving costumes. Hats, coats, waists, and even shoes or army khaki are seen everywhere among groups of women. Tablecloths, damask curtains, furniture covers of large-flowered cretonne, rich Persian shawls, masquerade costumes and brightly-colored evening gowns have been adapted to street wear. Fortunately, Russian women have such an independent bearing and are such individualists that they show no embarrassment whatever in wearing any clothing available in this land so sadly it need of cloth.

TEST NO 1

TEST NO 2

TEST NO 3

Only The Ray Battery Can Withstand These Terrific Tests

Test No. 1
Subjected to a dead short discharge, a Ray Battery gave off current for a period of twenty-five minutes without a single cell breaking down. Five minutes of this test exhaust other batteries.

Test No. 2
The Ray Battery was given a dead short with its plates only half covered with electrolyte, then with plates only one quarter covered. When water was supplied, the battery instantly recovered its original voltage. Other batteries break down when run with dry plates.

Test No. 3
Supplying the sole motive power and working against the compression of the motor, a Ray drove a coupe 4 of a mile before coming to a stop. Given 1 minute to recuperate, it drove the car another 1 of a mile and repeated this distance a second and a third time with only one minute of rest intervening. Thorough examination after this test failed to reveal any bad effects in the Battery.

Ray Batteries withstand these trying tests because of their Lavier Formula plates. Because they withstand them, they are backed by the strongest guarantee ever put upon a battery—an absolute, unconditional guarantee for two years from the date put into service.

MORE SUITS FILED IN CIRCUIT COURT

November Term Promises More Than Usual Number of Court Hearings.

Indications now point to a rather busy November term of court, as new suits are being filed every day in the office of Circuit Clerk Wanamaker. Saturday a divorce suit was brought by Henry Franz against his wife, Pearl Franz, whom he charges with infidelity. Mr. and Mrs. Franz were married in July, 1913 and maintained their home until August 3 of the present year. J. O. Priest is the attorney for the complainant.

The principle in the damage suit of Mrs. Gladys R. Masters against M. F. Dunlap was filed Saturday. This is an action in assumpsit and damages in the sum of \$25,000 are suggested. William N. Hargrove is attorney for Mrs. Masters, who is the widow of the late W. R. T. Masters. Another suit in assumpsit is that of J. W. Strawn vs. Henry G. Strawn, the complainant being represented by Bellatti, Bellatti & Moriarty. An indebtedness is claimed of \$1,346.

N. L. Elliott confessed judgment in favor of the Wemple State bank for \$112.

VISITATION TODAY
Wednesday afternoon, Oct. 19 is Visitation Day in the Central Christian church. Members of the church make a friendly call at every home in the church and congregation.

WILL GO TO SYNOD MEETING AT LINCOLN

The Jacksonville Presbyterian churches will be represented at the Synod of Illinois in Lincoln on the 18th, 19th and 20th of this month by Rev. W. E. Spooner and W. C. Sperry. Both of the delegates are from the Northminster church and will leave for the conference Tuesday.

Among the speakers and leaders of sessions of the conference are Revs. Frederick F. Shannon, H. L. Moore, H. C. Swearingen, R. R. Biggar, W. F. Weir, D. E. Williamson, W. S. Holt, F. Scott McBride, J. B. Farrell, W. C. Covert, W. P. Shriver, W. F. Jones, Roy H. Brown, J. W. McDonald, S. M. Campbell, R. H. Beattie, G. P. Magill and Arthur J. Brown.

CHIEF HUNT ISSUES WARNING

Warning has been issued by Fire Chief Sam Hunt, to owners of property near the railroad tracks, to cut or burn the patches of weeds near the tracks as the recent frosts have made the weeds very inflammable. Several small fires have been started by sparks from the locomotives and it is best to safeguard property near the tracks.

S. S. ASSOCIATION HELD MEETING

Reports Received and Other Matters Are Given Attention—President Convention at Chapin Oct. 30

The executive committee of the Morgan County Sunday School association held its first meeting since the convention in Franklin in the Ayers basement yesterday afternoon. Arthur Swain, a sectional vice president, took the chair in the absence of the president, Fred Schofield. Routine business and some reports were heard and then Secretary Findley presented a letter from the Chapin precinct calling for a precinct convention on the last Sunday of this month, the 30th.

Harlan Williamson, superintendent of the young people's division, made a short talk and said that he is planning to visit every Sunday school in the county during the coming year in order to assist in solving the many problems that arise.

Secretary Findley read a communication from C. L. Dewey, and also one from C. L. Mathis, making reports on budget matters. Rev. Spooner made a report on the educational department.

Among the people that attended the meeting yesterday afternoon were Mrs. R. R. Stevenson, Mrs. Charles Hopper, Arthur Swain, A. A. Curry, Rev. W. E. Spooner, W. H. Crum, Harlan Williamson, J. S. Findley and Mr. Wright.

All wool suit or overcoat tailored to measure \$19.75, \$22.50, \$28.75 and up. Trousers \$4.75. See our line today. Open evenings.

BROOKLYN CHURCH TO REMODEL AUDITORIUM

The Brooklyn M. E. church is soon to begin remodeling work on the church auditorium. A new chancel for the choir and pulpit has been built immediately and various other improvements, this fall but the building of the new brick addition has been postponed until spring.

The new arrangement of the auditorium will greatly improve the appearance of the structure and will also give it greater seating capacity. The walls and ceiling will be replastered and it is expected to finish all of the fall improvements within five or six weeks.

Including the addition to be erected in the spring, the church expects to spend about \$15,000 for improvements. The plans for the work were secured from Frank G. Dill, who is superintendent of architecture for the Methodist Episcopal church.

Several suit and overcoat patterns left from our sale to close out, \$20.00 or with extra pair pants at \$24.75—To your measure. Open evenings.

JOHN M. WALSH DIED SUDDENLY

Long Time Resident Is Found Dead in Bed Saturday Morning—Heart Disease Is Verdict of Jury.

John M. Walsh, age 63, was found dead in his bed at his home, 1330 East Center street, yesterday morning by his sister, Miss Bridget Walsh. The coroner's jury returned the verdict of heart disease.

According to testimony it was found that the deceased had been in his usual health, except for complaining of stomach trouble. When her brother failed to answer, Miss Walsh summoned a doctor, who said that the man had been dead for probably two hours and that it was the result of acute dilatation of the heart.

The inquest was conducted at the home in charge of Coroner Rose with the following jury, J. H. O'Donnell, foreman, J. M. Leonard, W. H. Peters, L. R. Mason, Frank Reid and F. W. Brockhouse.

The decedent has always lived in Jacksonville and for several years conducted a lunch room on Illinois avenue. For some time past he has led a retired life. The funeral will be held from Our Savior's church Monday morning at 8:30 o'clock.

Ever Sharp Pencils repaired by W. B. Rogers, 313 W. State St. Office Supplies.

DOMESTIC TROUBLE CAUSES SUICIDE

Frank Ballard of White Hall Kills Himself Saturday Afternoon—Leaves Letter to Brother Giving Reason for Act.

Roodhouse, Oct. 15.—Frank Ballard, forty-five, was found dead on the Roodhouse road one mile west of here at 7 o'clock this evening. Two bullet wounds were in the temple and the revolver was still held in the dead man's hand.

The body was found by W. R. Jackson, who lives near the scene of the tragedy, as he was on his way to Roodhouse. Coroner Carnody was notified of the suicide and deputized George Bundy of Roodhouse to take charge of the body and hold an inquest.

In Ballard's pocket was a letter addressed to his brother, Charles Ballard of Roodhouse. This letter stated that the act was committed because of family trouble. Ballard's wife, it is said, left him several weeks ago.

Ballard was employed at the pottery works in White Hall and had always resided in this vicinity. His widow and three children survive.

The coroner's jury returned a verdict of suicide.

All wool suit or overcoat tailored to measure \$19.75, \$22.50, \$28.75 and up. Trousers \$4.75. See our line today. Open evenings.

CARD OF THANKS.

We desire to express our thanks to neighbors and friends for the kindness shown during the illness and after the death of our daughter and sister. The sympathy extended will never be forgotten. We especially wish to thank the children for the thoughtfulness shown in various ways.

Mr. and Mrs. Frank Kehl and family.

BROOKLYN OFFICIAL BOARD MEETING

The official board of the Brooklyn M. E. church for the current conference year met at the Kas-trup home on South West street Friday night at which time the officers for the coming year were elected as follows: Secretary, Nellie Glen; Financial Secretary, Leah Walters; Local Budget Treasurer, Frank Bourn; Centenary Treasurer, August Walters; Committee on Janitor and Fuel, Mrs. Charles Sheppard and J. H. Walters; On Buildings and Grounds, William Hembrough, E. E. Beasly and G. E. Belzer.

GUESTS IN CITY.

Mrs. Ada Long of East Lafayette avenue is entertaining for a few days her niece, Miss Nellie French of White Hall and her brother, Charles Lakin of Hull.

SPECIAL WIRING WORK AT CHERRY STATION

Work Completed Saturday Night in Preparation for Auto Show and Exposition.

The special wiring of the Cherry Service Station in order to have effective lighting for the Auto Show and Merchants' Exposition which will be held there for four days beginning Wednesday was completed Saturday night, as was also the frame work which will carry the decorations of autumn branches and evergreen. Monday and Tuesday will be busy days placing the decorations and setting the spaces taken by the various exhibitors. Only two spaces remained to be sold Saturday night and these probably will be taken early Monday.

The exhibits will be comprehensive and embrace a representation of practically every business in Jacksonville, making an educational as well as interesting feature for visitors.

Those who will make exhibits are busy engaged in arranging to secure articles suitable to the occasion.

The show managers have arranged for special orchestra music for at least an hour each afternoon and an hour and a half each evening during the four days of the show.

As before stated, there is no admission charge and the public is free to come and go at will.

CHAMBER OF COMMERCE NOTES AND COMMENTS

Lloyd S. Reid, chairman of the Trade Extension Committee has called a meeting of that committee for nine o'clock Monday morning to complete arrangements for the Booster Days Sale that will be held October 19th and 20th. The special advertisements appear in the Journal today and in the Courier Monday. Morgan and surrounding counties have been billed by the Committee and it is hoped that with the assistance of the daily papers, to place a bill in every home for a radius of 50 miles.

A luncheon of the Budget Campaign Committee has been called for 6 o'clock Monday evening at the Peace Inn by General Chairman H. M. Capps. This committee is working out the details of the coming campaign and will be in a position to announce their plans in the near future.

Four were placed in permanent positions by the Free Employment Bureau within the past three days, however there are a great many on the waiting list. The new hard road has been providing temporary work for a number of men and many are sent there by this office.

The number of Automobile tourists passing thru the city is decreasing daily. Office visits from these people have fallen to an average of two per day compared with five per day two weeks ago.

The demand for houses by people desiring to locate here continues. There seems to be a slight improvement in the number of rooms and furnished houses available.

Membership cards have been printed and will be mailed to the members soon. These cards entitle the holder to all the privileges of the Chamber of Commerce in the United States and Canada. The cards are of card case size and are to be carried at all times by the members.

DEATHS

Richardson.

Rosa Lee, the five months old daughter of Mr. and Mrs. George Richardson of Litterberry, passed away at an early morning hour Saturday, after an illness of only a few days.

The little one is survived by her parents, two step-sisters, Amanda and May Hixon, and the following sisters and brothers: Boulah Richardson, Enos Richardson and Marion Richardson.

Funeral services will be held at 2 o'clock this afternoon at the Litterberry Baptist church, in charge of Rev. F. M. Crabtree of Chapin. Burial will be made in Litterberry cemetery.

FURNITURE FOR SALE
Including piano, gas range, ice box, beds, chairs, tables, etc., etc., beginning Monday morning. 242 Webster Ave.
GEORGE LUKEMAN

M. E. DAVIS HAS NARROW ESCAPE

M. E. Davis, who drives a big gas truck for James Alkire, had a narrow escape from death yesterday morning when the truck he was driving turned over about 4 miles east of the city near Salem. He was coming east down the big hill in that neighborhood when the truck skidded, swinging the front end into the ditch, causing the big machine to turn over. The cab was completely demolished but by some miracle of good fortune Mr. Davis escaped without injury. The accident was due to the slippery condition of the oiled road, caused by a shower.

FUNERAL NOTICE

Funeral services for John Walsh will be held from the Church of Our Savior at 8:30 o'clock Monday morning. Burial in Calvary cemetery.

MYERS BROTHERS
Presents an Exhibit Extraordinary
of Fall & Winter
Kuppenheimer Overcoats
of Imported Fabrics

An exhibit of garments distinctly English in design, in cut and draping. Handsome woollens of a quality—colorings and weaves—such as this country has never produced. The finest products of the foremost English and Scottish mills. Exquisite shadings of blue and green and gray—wondrous plaids and herringbones—heavy, soft, luxuriously warm clothes with fancy, brilliant patterned backs. Great town coats, ulsters, motor-coats, fashioned and crafted by The House of Kuppenheimer. The tailoring and trimmings reflect the pride and fifty-year traditions of this celebrated house. Prices are based on present, lowered levels and are particularly attractive for goods so exclusive and high in quality.

The town will talk of this exhibit
of imported coats for many a moon

CLUB NOTES

The Fortnightly club will meet Thursday afternoon at 4 o'clock Oct. 20 with Miss Ruth Bailey, 605 Jordan street.

The District Missionary society of Morgan, Cass and Scott counties will hold their annual district meeting at State street will begin at 11 a. m. Two ladies from the Presbyterian society, Mrs. Young from Pawnee and Mrs. Anna M. Roberts of Springfield will address the society. The ladies of State Street church will serve lunch.

The Catholic Ladies' Aid will meet at the home of Mrs. John E. Rose, 954 West Lafayette avenue Wednesday afternoon at 2:30 o'clock. All members are urged to be present.

The Pastor's Aid society of the Grace M. E. church will sew all day Wednesday for the Christmas bazaar.

WEST SIDE ART CLUB

Mrs. Mary Piles and Mrs. Anna Reed were hostesses to the members of the West Side Art club Friday afternoon at the home of the former. An appetizing luncheon was served. Plans were completed for a bazaar to be held at Mt. Emory Baptist church Thursday night, Oct. 27th, the proceeds of which will be used for charity. The annual sermon of the club will be preached by Rev. Hackley Sunday afternoon, Oct. 18th, at 3:30 o'clock at Pethel A. M. E. church to which the public is invited. All members are requested to meet at the parsonage previous to the sermon. There will be an all day sewing Wednesday, Oct. 19th, at the home of the President, Mrs. Jennie Freeman. The next regular meeting of the club will be held at the home of Mrs. Clotella Taylor, 472 South Clay avenue. Mrs. Amalia Sharpe assisting.

The Household Science club will meet Tuesday, Oct. 18 with Mrs. E. S. Greenleaf on Park street at 3 o'clock.

The Domestic Science Round Table of the Jacksonville Woman's club will hold its first regular meeting of the club year Saturday, Oct. 22 at the home of Mrs. Andrew Ruessell, 1169 Mound avenue. The meeting will begin promptly at 2:30. A very interesting program has been prepared. Mr. Vincent Riley will give a travel talk followed by a musical program. The treasurer will be present and receive the annual dues.

The Pleasant Hour Club will meet with Mrs. Herman Weber of South Main street at 2:30 o'clock Thursday afternoon.

The Past Noble Grand club of Jacksonville Lodge No. 13 Rebekahs will meet Thursday evening with Miss Frances Alkire at her home, 350 East College avenue.

The Past Pacahontas club of Minnetonka Council No. 71 will meet Tuesday evening with Mrs. George Siegfried of South East street.

The Jacksonville W. C. T. U. will meet Tuesday afternoon at 2:30 o'clock with Mrs. Charlotte Gray. Appointment of superintendents of departments will be made, and a full attendance is desired. All women interested in the cause of prohibition are cordially invited.

The College Hill club will meet Monday afternoon at 3 o'clock at the home of Mrs. F. P. Carter on Lincoln avenue.

The Standard Bearers society of Centenary church will meet Monday evening at the home of Miss Harriett Six on South Main street. The members of the U. C. T. Woman's club are to go to Springfield this week and will be the guests of Mrs. Gerald Taylor at their regular meeting on Wednesday. It is planned to make the

MR. AND MRS. ARENZ ARE VISITORS HERE

Mr. and Mrs. John A. Arenz, of Peoria, arrived in the city Saturday from Peoria and are guests of F. L. Ledford and family of East State street. They drove through in their Cadillac car. Mr. Arenz was born and reared here but has been away from Jacksonville for a number of years.

He is president of the United States Electrical Supply company of Peoria and has one of the largest manufacturing and jobbing houses in the west. Mr. Arenz established the business five years ago. Since then it has grown in a gratifying manner and the company now does business in twenty-two states.

Mr. Arenz is calling on a number of friends while here.

ter spent the past week with her
daughter, Mrs. Harry Cade and
family.

Mrs. W. A. Werner is visiting
her sister, Mrs. D. J. Sandbach in
Springfield and expects to visit
several other points before re-
turning home.

Mr. and Mrs. W. R. Deputy and
Mrs. L. M. Carney of Bloomington
were guests Tuesday and Wednes-
day of Mrs. Carney's nephew, C.
T. Daniels and wife.

The many friends of Rev. and
Mrs. J. M. Beadles will learn with
regret of the serious illness of
Mrs. Beadles at Passavant hospital
in Jacksonville and will hope for
her recovery.

Mrs. Emily Stiller returned to
her home in Meredosia Sunday
after spending several weeks at
the home of her daughter, Mrs.
A. H. Kennedy and family.

Warren Wright is attending the
grand lodge of the A. F. and A. M.
in Chicago this week.

The W. F. M. S. met Friday af-
ternoon with Mrs. Mary E. Crouse
at the home of her son, Dean
Crouse in the country.

Mr. and Mrs. H. G. Strang, Mr.
and Mrs. L. C. Collins and Mrs. R.
D. Mawson were Greenfield visi-
tors Thursday. The ladies attend-

ed the Federation of Woman's
clubs held there.

Mrs. Alice Cooper returned to
her home in Marshall, Mo., Friday
after spending several months
with relatives here.

Mr. and Mrs. Frank Mawson of
Jacksonville were visitors Wed-
nesday with the former's brother,
R. D. Mawson and wife.

The Ladies' Aid society will
serve a chicken pie supper in the
church basement Tuesday even-
ing.

Misses Floreca and Lucile Short
and friend, Miss Helen Clark of
Jacksonville were guests at sup-
per Thursday evening of their
parents, Mr. and Mrs. C. R. Short
and family. The event was in
honor of Miss Lucile's birthday.

AFTER FORTY YEARS

Charles Sibert of Kansas City
is visiting friends and relatives in
Jacksonville and vicinity. He is a
son of Gideon Sibert who lived in
the house south of the city where
the road leads west to the W. W.
Carter place. Mr. Sibert has not
been here for forty years and sees
little that looks natural. He ar-
rived on the Hummer and put up
at a hotel and yesterday morning
started out. The only right fa-
miliar object was the garage build-
ing on South Main street, or West
College street and which was once
used by Elias Keemer for his
blacksmith and wood working
shop. Mr. Sibert found an old
time schoolmate, W. W. Carter, a
relative, Fred Sibert of this city,
and a very few others who knew
him or his father. The latter was
a brother of Jerry Sibert, who
lived just southwest of the city, a
sister was Mrs. Lane, so well and
favorably known in this locality.

AN OLD TIMER HERE
Andrew Schiell was in the city
yesterday and called at the Jour-
nal office a few minutes. He is
getting quite old and shows the
effects of age though he seems to
be in good health.

Elderly residents of the city
well remember when Andy used
to drive the express wagon to and
from the station. He worked
awhile at the State hospital but
went back again to the express
and when the Alton was complet-
ed to Kansas City he had the run
on that road from St. Louis and it
used to take him 13 hours a day
to make it. He is now a pensioner
of the company he served so well
and long.

John R. Vasey near the Point,
came to the city yesterday.

With Morgan County Poets

Many contributions came to us that with a little bit of tinkering
might be made acceptable. But it is not professional for us to do this,
nor practicable to take that matter up with the writers. Perhaps a
few suggestions would be appreciated by earnest students.

To begin with, the entire equipment of an amateur poet is very
simple and inexpensive. Outside of writing material, it consists of a
little book of synonyms and a rhyming dictionary. These can be ob-
tained in paper covers for twenty-five cents each.

First Caution—Watch your adjectives. Avoid such words as
beautiful, fair, wonderful, awful, nice, etc., unless you mean them
particularly, or unless there is no other word more explicit or colorful.

Second Caution—Watch your sign-words. Delete words like only,
most, there, while, and, but, or, the, is and are, if not destructive to the
sense or idea. Sometimes it is destructive to use them—they take up
space, and make no picture. Don't get the habit of using them to sup-
ply a gap in a foot.

Like twilight, the moon is a favorite subject with poets, and often
inspires the strangest conceits.

LULLABY

Low in the West in a white canoe.

My Lover he rides the sea—

Forsakes his craft on a bank of dew,

To spend the night with me.

But long ere the morning light breaks thru,

He slips away from sight,

And I never can find the white canoe,

Till the tide comes in at night.

—JOHN KEARNS.

THE MOON

Fair Queen of Heaven, what mysteries lie

Beneath thy radiant face?

For many ages hast thou gazed

Upon the human race;

While sages long have sought in vain

Thy secrets deep to probe,

To know the wondrous history of

The lovely, shining globe.

Couldst thou but speak and tell the tales

Of what thou hast seen;

The quiet walks, hand clasped in hand,

The places which have been

Enjoyed on earth; the secret deeds,

Which shun the brighter light;

The hidden crimes, the evil ones,

Who stalk abroad at night;

Oh, what a tale wouldst thou unfold,

What mysteries make known!

How many would regret the wrong

And evil they had done!

But thou hast never ought to say;

In silence dost thou see

The deeds of men and Nature's throes

In lofty majesty.

—S. W. NICHOLS.

CITY AND COUNTY

Dr. A. E. Obermeyer was down
to the city from Arcadia yester-
day.

Mrs. Albert Brockhouse of Vir-
ginia journeyed to Jacksonville
yesterday.

Mrs. Nellie Crain journeyed
from Woodson to the city yester-
day.

Kenneth Smith of the northwest
part of the county came to town
yesterday.

Mr. and Mrs. Ellis Williams
were down to the city from Lit-
terberry yesterday.

James Black of the north part
of the county called in town yester-
day.

Michael Casey of Arenzville was
in the city yesterday.

Mr. and Mrs. Henry Barber of
Grace Chapel vicinity were callers
in town yesterday.

Lloyd Reese was up to the city
from Woodson yesterday.

Clifford Davis of the east part
of the county called in town yester-
day.

Roy Baldwin of the north part
of the county came to the city yester-
day.

Samuel Wood of Joy Prairie
was a caller on town people yester-
day.

Roe Hicks helped represent
Woodson in the city yesterday.

James Kinnett of Orleans made
a trip to the city yesterday.

Harold James of the northwest
part of the county visited the city
yesterday.

Eugene Stanley of Joy Prairie
was added to the list of city call-
ers yesterday.

O. G. Temme, president of the
Temme Springs Co. of Springfield
visited the Joy Bros yesterday.

Mr. and Mrs. C. P. Henderson
were down to the city from Lit-
terberry yesterday.

George W. Seymour and wife
were in town from Franklin yester-
day.

Dr. R. R. Jones helped repre-
sent Woodson in the city yester-
day.

C. R. Smith of the northeast
part of the county was a city call-
er yesterday.

COLLEGE OF MUSIC NOTES

Clarence Ratcliff, pupil of Miss
Miller, has been engaged as bass in
the Christian church quartette.

Misses Grace Terhune, soprano,
Suzanne Rinehart, violinist, and Dor-
othy Remley, reader, all pupils of
the College of Music, will provide
the musical entertainment for the
annual open meeting of the Sinclair
Woman's club to be held at Sinclair
hall, Wednesday, Oct. 26.

Mrs. Forrest, soprano, accompanied
by Miss Belle Mehus, sang a group
of songs at the Parent-Teachers'
meeting at the David Prince school
Friday evening.

The first of the students' informal
recitals will be given in Music hall
Thursday afternoon Nov. 3.

The Madrigal club, under the di-
rection of Mrs. Forrest, was reor-
ganized last week. A number of
new singers were admitted. The
college orchestra, under the direction
of Mr. Pearson, will meet for its first
rehearsal Oct. 18.

Mrs. Forrest, soprano, contributed
vocal solos to the program given at
the annual meeting of the Jackson-
ville Social Service league on Thurs-
day evening. Miss Mehus played
her accompaniments.

Mrs. Higbee, violinist, accompanied
by Miss Myrtle Larimore, played a
group of solos at the Chamber of
Commerce banquet on Tuesday eve-
ning.

Miss Davis, new head of the Ex-
pression Department, will give her
recital Monday evening, Oct. 17, at 8
o'clock at Music hall. Mr. Pear-
son will give an organ recital the
week following, Oct. 24. The public
is cordially invited to attend both.

A great deal of interest has been
aroused in the Artist Course which
will be presented by the College of
Music this year through the sub-
scription cards which have just been
sent out. The first of the series will
be a piano recital by the famous
French pianist, Maurice Dumesnil
on Monday evening, Nov. 21. He
has played much in Europe and
South America. He speaks English
fluently and during his visits to
America has become quite well ac-
quainted with our manners and cus-
toms. He has heard a great deal of
our music and holds many American
composers in highest esteem. He
has done much for French composers
and Spain also owes him a debt of
gratitude for bringing forth the
works of new Spanish composers.
When he plays here he will surely
introduce some of these numbers.

FAMILY REUNION IN ZION NEIGHBORHOOD

Burns Family Held Reunion at
Home of Mr. and Mrs. John
Maloney Southeast of Murray-
ville Sunday—Other News Notes

The Burns family held a reu-
nion at the home of Mr. and Mrs.
John Maloney southeast of Mur-
rayville Sunday.

The event was given in honor
of Mrs. Maloney's niece of Spring-
field. All brought well filled
baskets and a bountiful dinner
was served on the lawn, the day
being pleasant in all respects.

Those present were: Mr. and
Mrs. William Todd and family.

Mr. and Mrs. Thomas Fernandes
and family and Thomas McLaugh-
lin, all of Springfield. Mr. and
Mrs. Wagner and family, Mr. and
Mrs. Albert Mollenbrock and fam-
ily and Miss Loretta Maloney of
Jacksonville. Mr. and Mrs. John
Burns and family, Mr. and Mrs.
Thomas Burns and family, Mr.
and Mrs. Chester Blakeman and
Joseph Thompson of Murrayville.

Mr. and Mrs. N. Bove and
daughter of near White Hall
spent Sunday with Mr. and Mrs.
S. A. Passage.

A farmers institute will be held
in Murrayville October 18. Good
speakers will be present and farm-
ers are urged to assemble in Mur-
rayville on that day. A chicken

pie dinner will be served by the
Ladies' Aid of Murrayville M. E.
church.

Mr. and Mrs. Chas. Wagstaff
and family spent Sunday at Rock
ledge.

Mrs. Cullen Wilson of Alsey
ended a pleasant visit with Mr.
and Mrs. S. A. Passage Sunday
and returned to her home.

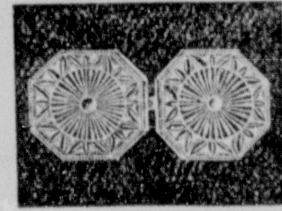

Mrs. Henry Ozburn of near on
the sick list.

Walter Dobson's condition re-
mains about the same.

Mr. and Mrs. William Hart and
family spent Sunday with Mr. and
Mrs. C. E. Hart and family.

Eugene Pracewell spent Sun-
afternoon at Mr. Passage's.

History of Platinum

Romance of Platinum

Years ago in Quibdo, Columbia, S. A.,
a gold mining town, platinum was
blown out into the streets among the
"tailings" (waste). Today houses have
been undermined and streets turned
into shambles to get at the platinum.

disdain to its present place at the head of
the noble metals. Originally its presence in
gold was regarded as a drawback. Its stub-
born resistance to the action of acids and heat
made it peculiarly obnoxious.

Today the very qualities which rendered it
originally objectionable have made it price-
less. It is resistant to most acids, proof
against rust and wear. It is hard, brilliant
and durable beyond all others.

The story of Quibdo is merely one of the
many illustrations attending platinum's ro-
mantic rise from a position of obscurity and

Through its Public Health Department Announces
Information of Utmost Importance—

"CONFINEMENT is now a Pleasure"

—This was really said a few days ago by a mother who gave birth to a
fine boy by the NEW WAY—Nature's Way.

—This mother had gone through the ordeal of confinement with all of its
suffering, delays, dangers and exhaustion, three times, in the USUAL
WAY while the nurse or doctor took a nap in an adjoining room, waiting.

—That old expression, "Letting Nature Take Her Course," served its
usefulness many, many years ago, when women were strong, hearty, fully
developed, and didn't know the corset, high heel shoes or short skirts. It
is a sad reflection to use that method today. But—

—If YOU expectant MOTHERS are satisfied to face all those unneces-
sary DANGERS due to your weakened, undeveloped constitution, which
resulted in the death of 60,000 mothers in Confinement last year, then
YOU do not need to

NEWS FROM RAILROAD YARDS AT ROODHOUSE

Much Clean Up Work Now in Progress at Terminal — Interesting Personal Items About Shopmen.

Roodhouse, Oct. 14.—William Reese, for several months general foreman of the locomotive department has resigned and P. J. McGraw, formerly trip foreman has been duly appointed to the position. Reese goes back to work on the house as general overseer.

Charles H. Hanaford, who for three years has been electrician apprentice under the direction of Chief Electrician Chas. Ford, has departed for Brighton Park where he will begin duties in a special line of work. Later he is to be assigned to a post in Bloomington where he will serve three years more as an apprentice then he will be issued his card as a full fledged electrician.

This is general clean up week at this terminal. All switch stands, overhead bridges and other buildings are receiving special attention. New paint is being applied and repair work is progressing at an unusually rapid rate.

The car department men are working full force and are adjusting airbrakes, steam lines and other equipment in order to combat the winter elements which later cause so much delay to train service.

The bridge and building department recently installed a new floor at the freight house, and have completed other work along similar lines within the last few weeks.

Paul Ballard, train crew caller has been assigned the clerkship at the freight house as per instruction. He fills a vacancy made by the resignation of Ira Brown who departed recently to attend a law school at Lebanon, Tenn.

The yard department is handling a capacity business at this time and if conditions warrant another engine it will be placed in the main yards. The meat trains from the west are unusually active and dead freight is moving at a maximum rate.

There is a rumor of a new time card in the near future, however, it is not certain, and should a new schedule be procured there would be but little change at this terminal in the matter of service.

Conductor L. O. Polite, who recently returned from an auto trip thru Yellowstone Park and other points of interest in the west, reported for duty.

Brakeman Ural Sly, who suffered a very painful accident in a recent auto mixup is home from the hospital but is in no condition to resume his duties.

YOUR WINTER FUEL

If you haven't purchased your soft coal, hard coal or coke, we would be pleased to receive your order and assure you our most careful attention.

Church Services Today

First Baptist church—The automobile attendance contest in progress in the Sunday school is bringing results, so Superintendent Koppert says. If there are no "Chevrolets" at 9:30 Sunday morning the several machines will have moved up several miles toward the hill top. No charge for gas. Come early! Morning worship is held at 10:45 a. m. Pastor A. P. Howells will preach on the subject, "Confidence." The quartette with Miss Florence Kirby at the organ will furnish the special music. In the northern section of the city Superintendent Swift will conduct the Mission Sunday school at 2:30 p. m. Two Baptist Young People's unions hold their meetings on Sunday night at 6:30 p. m. The subject is "Lessons From Patriots of the Past and Present." Both societies are growing in attendance. Come anyway even though you can't a "Ford" a Packard. Increasing night congregations are noted each Sunday evening at 7:30 o'clock. The sermon subject on Sunday night will be "The Carpenter's Son." Prayer meeting is held on Wednesday at 7:30 p. m. This will include the postponed quarterly business meeting.

State Street Presbyterian church—Rev. W. H. Marbach, pastor. T. M.

NU BONE

Corsets are the corsets you'll love because they give you the smart trim appearance you wish and do it so easily and comfortably. With them you have a sense of uncorseted freedom, with the added comfort of all necessary support and the consciousness that your figure expresses individuality, ease and buoyancy.

Nu-Bone Corsets are made to measure; also kept in stock. Call, write or phone without obligation on your part for information or appointment.

Tomlinson, Sunday school superintendent; Mrs. Barr Brown, choir leader; Mrs. Helen Ayers Bullard, organist. A man's will power is tested every Sunday morning. Most men believe in the church. They would not establish a home or a business in a churchless community, but it takes will-power to attend church and Sunday school. Resolve now to go to church Sunday, and you, your home, your business and your community will be the better for your going. If this is the one of your choice, a hearty welcome is yours. The pastor leads both services of worship, one at 10:45 a. m. and one at 7:30 p. m. Bible lessons and discussions at Sunday school at 9:30 with classes for all, and Young People's societies at 6:30 o'clock. Come and bring your friend.

Central Christian church—M. L. Pontius, minister. Bible school at 9:30 a. m. B. O. Roodhouse, superintendent. Morning worship at 10:45. Theme of the sermon: "The God Within." Evening worship at 7:30. "Throw a Rope to My Boy" is the subject of the sermon of the evening. Music by the church choir under direction of Mrs. Wehl. Solos by Miss Louise Miller and Mrs. Wehl. C. E. meetings at 6:30 p. m. A special program has been prepared by the Senior society. Leader, Allen Biggs; Intermediate leader, Frances Cox; Junior leader, Helen Schneider. The members will cordially welcome friends and strangers at these services.

First Church of Christ Scientist, 523 West State street—Services: Sunday 11 a. m. Subject of the lesson sermon: "Doctrine of Atonement." Sunday school 9:30 a. m. Wednesday evening, Testimonial meeting at 8 o'clock. The reading room is open each week day from 3 to 5 p. m. The public is cordially invited to attend the services and visit the reading room.

Trinity Episcopal church, J. E. Langton, rector; H. M. Andre, Senior Warden; Prof. J. G. Ames, Junior Warden—21st Sunday after Trinity. Holy Communion 7:30 a. m. This will be a corporate communion for the Auxiliary to commemorate the fiftieth anniversary. The collection will be a thank offering for jubilee fund. Sunday school 9:30. Morning prayer and sermon 10:45. Evening prayer and sermon 7:30. The rector will preach on the Bible the third sermon on Doctrine and teaching of the Episcopal church. Tuesday Guild all day meeting.

Mt. Emory Baptist church, corner South Church and Marion streets—Preaching by the pastor W. Henry Snowden 11 a. m. Subject: "Real Faith." 7:30 p. m. Subject: "The Work of the Ministry." Sunday school at 2:30 p. m. Mrs. Medora Bryant, superintendent. The Baptist Young People's Union meets at 6:15 p. m. Mrs. Hazel Bell Walton, president. Subject for the evening: "What the King Requires" led by William Blue. Wednesday evening prayer service. Come to the church of the royal welcome.

Centenary Methodist church, C. D. Robertson pastor—Sunday school at 9:30 a. m. A. C. Metcalf, superintendent. There is a hearty welcome at this school for every member of the family from father and mother to the baby, and there is a class for each one. But others are welcome too—the stranger, the man straggled away from home over Sunday, the one not in the habit of going to Sunday school. This is a pleasant place than a hotel lobby and a better place than a street corner. Come and let us demonstrate a welcome.

Morning worship at 10:45. This is a home-like, comfortable service to which everyone is invited. Sermon by the pastor. Subject: "A Fact and a Hope." The newly re-organized Epworth League will hold a devotional meeting in the north room at 6:30 p. m. Miss Harriette Six, leader. Subject: "The Golden Rule in Everyday Life." Evening worship at 7:30. Subject: "Where Does It Come From?"

Salem Evangelical Lutheran church—East College street. Rev. J. G. Kuppier, pastor. Sunday school at 9:30 a. m. Public worship in English at 10:30. Subject: "The Church." There will be no evening service. The L. W. C. will meet Thursday evening. A cordial welcome to all.

Northminster Presbyterian church—Walter Spoons, minister. Preaching at 10:45 a. m. and 7:30 p. m. by the pastor. The morning subject will be "Aspiration." The difference between aspiration and desire will be shown. Man attains in the measure that he aspires. The war of aspiration has entered the way which ends in peace. The evening subject will be "The Nearness of God." This will be an evangelistic sermon. Sunday school at 9:30 a. m. William Bieber, Superintendent. A class for every one. The Sewing Circle will meet Thursday for an all day sewing. Dr. Scott, of Chicago, will give the moving pictures of the work done by the Olivet church next Wednesday night at the Prayer meeting hour. Thank to all who assisted in making the annual supper a success, both helpers and patrons. A hearty welcome awaits you at Northminster.

Congregational Church—George E. Stickney, pastor. Church school at 9:30. Dean G. H. Scott, superintendent. Dr. Post's Bible class meets at 10:00 a. m. Morning worship at 10:45, with sermon by the pastor. Christian endeavor at 6:30. The other appointments for the week are as follows: Monday, 3:45, The Okeech Campfire, Miss Forward, guardian; 4:00, Junior scouts, Mr. Stickney,

Scoutmaster. Tuesday 4:00 p. m., Okeech Campfire, Miss Gross, Assistant guardian. Yojasovi Campfire supper-meeting, Mrs. F. J. Hehl, guardian. Wednesday, Young Woman's Guild will have an all day meeting at the home of Mrs. H. L. Caldwell, College avenue. 4:00, Boy Scout Troop, No. 6, Mr. Stickney Scoutmaster. 7:30, prayer meeting. The life of Paul is being studied at these meetings. Friday, 7:30 p. m., the Aokiya Campfire is to hold a genuine "old fashioned carnival" at the Pilgrim Memorial. The general admission as well as the admission to the special side shows will be by pennies so bring plenty with you. The proceeds of the carnival are to go to charitable purposes here in the city. Saturday: Aokiya Campfire, Miss Reicke, guardian. Rhodes Memorial library open from 2:30 to 5:00. Chorus choir rehearsal 5 p. m. You are cordially invited to worship and work with us.

Bethel A. M. E. church, R. H. Hackley, pastor—11 a. m. services conducted by Rev. Benjamin. 2:30 Sunday school, Rev. J. W. Kirk, superintendent. 3:30 sermon to the West Side Art Club by the pastor. 8 p. m. preaching by the pastor.

Brooklyn M. E. church, G. W. Randle, pastor; J. H. Reid, Sunday school superintendent—Sunday school at 9:30 a. m. Public worship at 10:45 a. m. and 7:30 p. m. Morning theme, "Does It Pay to be a Christian?" Evening, "The Fatherhood of God." Junior League at 6:00 p. m. Epworth League devotional meeting at 6:30 p. m. Subject, "How Can We Apply the Golden Rule Today?" led by Ruth Cox. Mid-week service, 7:30 p. m. Wednesday, led by C. O. Bayla. There is urgent need that all subscriptions should be paid up to date on the Centenary pledges. All who are in arrears for last year will please take notice and make a strong effort to balance their Centenary accounts before October 31, at which time, the books will close for the year.

Grace Methodist Episcopal church, Thos. H. Tull, pastor—9:30 a. m. Sunday school, T. V. Hopper, superintendent. All friends and members of the church should become a part of the school for Bible study. You will find classes for all ages. 10:45 morning worship with sacrament of the Lord's supper. 2:30 p. m., Intermediate League, Miss Agnes Davis, superintendent. 6:30 Epworth League. The new officers will be installed and all our young people are asked to attend. 7:30 evening worship. Theme of sermon by the pastor will be "The Fall of the Roman Empire." This will be the first of the series of Sunday evening addresses on "The Landmarks of History, in the Light of Calvary," a history repeating itself. These addresses are intended to help in answering this question. The program of music for the day will be for the morning service "The Lord is My Rock"—Rogers. Solo, "The Lord is My Shepherd"—Liddle; sung by Miss Catherine Parker. Response, "Three fold Amen"—Pearson. In the evening "Even Me"—Warren. "Sweet Savior, Breath an Evening Blessing"—Campbell. Prof. Henry Ward Pearson, organist and choirmaster. Prayer meeting on Wednesday evening. Boy Scouts of Troop 7 will meet on Thursday evening.

Westminster Presbyterian church, corner Westminster street and West College avenue, Rev. Thomas W. Smith, D. D., minister. Sunday school at 9:30 a. m., with College Students' class led by Miss Margaret Moore. Kindergarten class at 10:30. Morning worship at 10:45. Dr. Smith will continue his series of "Straight Talks to Young People." Subject, "Lovers of Pleasure." Miss Ainslie Moore will sing. At 6:30 p. m. the Young People's Society of Christian Endeavor will meet, also the Intermediate Christian Endeavor Society. The topic for each society will be "Lessons from the Patriarchs Past and Present"—Nehemiah IV, 1-14 (Citizenship Day). Evening service at 7:30. The famous film "The Stream of Life" will be given with an appropriate address by Dr. Smith. This is a life drama written by Rev. James K. Shields and acted finely. The lessons are truly religious. This is said to be spiritually perhaps the best film made. Fitting music will accompany it and Miss Ainslie Moore will lead. This evening service will be known as Commercial Travelers Night at Westminster. An special invitation is extended to the United Commercial Travelers. But all people, young and old, will be welcomed. On Wednesday evening at 7:30 an important meeting of the congregation will be held. An elder will be elected and other business attended to. The pastor will give a Bible study of 1 Peter I, 12-20 upon "Creed and Conduct."

Second Baptist church, Rev. H. H. DeWitt, pastor—Sunday services at the usual hours. Morning subject, "A Little Girl's Faith"—2 Kings 4:3. Bible school, 2:30 p. m. At the evening service the pastor will speak of Ben Carr and his achievements. A few years ago Mr. Carr owned a few acres in the hills of Tennessee. Today in the same state he owns one thousand acres in Trousdale County, our hundred acres near the State Normal School, valuable residential property in Nashville, and one thousand and five hundred acres three miles southeast of Nashville for which he has been offered one million and a half dollars. To know Mr. Carr and his struggle to attain his present financial altitude is a real inspiration. The pastor has known Mr. Carr for many years.

PROFESSOR CLARK TO BE HERE AGAIN
From present indications it is a certainty that Professor S. H. Clark of the Chicago University will come to Jacksonville again this fall under the auspices of the Illinois Woman's college. The work of selling tickets was begun yesterday and a large number of the students and faculty have already signed for tickets. Professor Clark will probably come some time before Christmas and will give two lectures in the city.

MRS. A. L. ADAMS HEADS DISTRICT FEDERATION

Local Woman Elected President of Federation of Woman's Clubs at Greenfield—Board Meeting to be Held November 10.

The 20th district Federation of Clubs which met in Greenfield Friday, honored Mrs. A. L. Adams of this city by electing her president of the district. Mrs. J. C. Grout of Winchester becomes vice president at large and the secretary and treasurer will be elected from Jerseyville, where the club meets next year. The list of officers will be completed when

the board meeting is held in this city on the first of November. Morgan county had twenty-six representatives present, the largest delegation at the meeting. Several resolutions were adopted, one of special interest to this community is the resolution backing the tuberculosis sanitarium. The Federation was enthusiastic over the Morgan county sanitarium and some of the county representatives went so far as to suggest that they furnish a room in the sanitarium that they might have a place to send their case.

Three state officers were present at the sessions, which is very unusual. Mrs. Edward Bailey, the state president, and Mrs. Eugene Gaskins, state recording secretary, who were on the program, and Mrs. Frank Johnson, the state edict chairman. Mrs. Henry T. Rainey, who is an ex-president, but who has taken no part in Federation affairs for some time because of her residence in Washington, D. C., was very active in this year's meeting making several talks. The Greenfield women were royal hosts. A complimentary luncheon was the first event on the calendar. Here a special table for the executive board of the district was set and on it was a huge birthday cake with twenty-one candles, in celebration of the twenty-first anniversary of the Federation.

Board Meeting Nov. 10.
A state board meeting and legislative conference will be held in Springfield, Nov. 10, to confer on a number of important questions and everyone interested is invited to come. Miss Grace Dixon of Chicago, the state chairman of the legislative committee, will be in charge.

The delegates from Morgan county to the district meeting include Mrs. J. Marshall Miller, district parliamentarian; Mrs. W. T. Scott, Morgan County Federation president; Mrs. A. L. Adams, Mrs. Thomas Buckthorpe, Mrs. A. B. Williamson, Miss Violet Davis, Mrs. Edwards, Mrs. James Strawn, Mrs. E. M. Tindall, Mrs. Nellie Gunn and Miss Edith Stewart, all of this city; Mrs. A. A. Curry of Pisgah; Mrs. F. M. Roberts, Mrs. W. W. Anderson and Mrs. Howard Tucker of Chapin; Mrs. R. D. Mawson, Mrs. Harry Strang and Mrs. Collins of Murrayville; Mrs. William Rees and Mrs. Seymour of Franklin; Mrs. William Becker and Miss Nettie Gray of Alexander, and Mrs. Jones and Mrs. Paul Allyn of Waverly.

CLOSING OUT SALE
Tuesday, Oct. 18, 10 a. m. at Samuel Newton farm 1/2 mile east of Concord, horses, cattle, hogs, grain and farm implements.

LEE MCGINNIS

FACTS ABOUT FLOUR

An old timer noticed in a window of a store in the city that flour was selling at \$9.20 a barrel while wheat was quoted on the board at about \$1.15. In the good, old days before the Civil war a man took five bushels of ordinary wheat to mill and received in return a barrel of flour, the middlings paying the miller for grinding. The old fellow thought there must be some discrepancy somewhere and made some inquiries of his friends, the Calns, dealers in flour, grain and feed. He learned a few facts.

In the first place the figures on the board are options which can't well be turned into flour. Wheat sold on the market in Kansas City the day before for \$1.32. It takes also forty cents to sack a barrel of wheat and more than that if it is put into barrels. That brings the cost up to \$7 a barrel. In the days before the Civil war mills generally made steam with wood at \$1.25 a cord at which price the writer has seen hundreds of thousands of cords sold. Fifty dollars a month was an outside price for a head miller and often they worked for less while an engineer received from \$1.25 to \$1.75 a day. Today, in the large mills the head engineer gets \$500 a month, the assistant gets \$300 a month and the sackers who put the flour into the sacks and sew them get \$7.50 a day.

By the time the expenses of selling are taken into account and freights the process seems reasonable as it is impracticable, seemingly, to make flour in Jacksonville.

Another fact has a peculiar look. Japan is buying all the wheat she can get shipped from Pacific port and article in Chicago Tribune says steamships

are booked full of freight up to January, from the Pacific coast to Japan. What this means let the wise men say more than that it looks as if the price of wheat would be likely to advance after a time.

FRANK BYRNS Hat Store
will have on sale Tuesday a complete assortment of high grade furs at most reasonable prices.

PASSAVANT HOSPITAL ASKS DONATIONS

Friends of Passavant hospital in Morgan and surrounding counties are asked to send fruit, either canned or fresh, vegetables, or groceries, or anything that can be used in the home. Please communicate with the chairman of your own church, so that the church may receive credit for each donation.

A COMPLETE ASSORTMENT OF WOOL SWEATERS, WOOL SCARFS AND WOOL CAPS NOW ON SALE AT HERMAN'S.

RECEIVES SQUASHES

Mrs. Harry Jumper and L. M. Jumper of Ashland received yesterday from Cannon Falls, Minnesota, a box containing two baby squashes. These squashes measured thirty inches in length, the bowl of the squash measured six inches long and twenty-six inches in circumference and the neck measured twenty inches in circumference. These are what they call baby squashes. Mrs. Jumper wonders what the large squashes measure.

The price of furs are now within the reach of all. The assortment shown by FRANK BYRNS will please you.

TO MEET NEXT WEDNESDAY

The first regular meeting of the Parent-Teachers association of the Lafayette school will be held at 3:30 o'clock Wednesday afternoon. There will be a musical program given by members of the faculty of Illinois Conservatory of Music, and Miss Ryman will talk on the general physical condition of the school children. The social hour will be in charge of the teachers of the school and the officers of the association. All parents and friends of school children are urged to be present.

WHAT ARE THEY?

A well known elderly citizen says he and his family have observed on Lake Mauwaister a singular kind of water fowl. It is about as large as a goose but nearly black and the like of which has not been seen before. There are some fifteen or twenty of them about the lake.

PARTY WAS GIVEN AT LITERBERRY HOME

Miss Mabel Henderson entertained a few of her young friends Friday evening at her home in Literberry, in honor of Miss Bernice Kitcher of Woodson, who is spending the week end at the Henderson home. The evening was very pleasantly spent with various games and a taffy pull. The company included Ada Scribner, Irene Ogle, Bernice Kitcher, Eleanor Guy, Mabel Henderson, James Robert Petefish, Billy Dunlap, Lands Young, and Harry Jack Henderson.

HER LONG SEARCH IS NOW REWARDED

Mrs. Ida Pickett Was Twenty Five Years Trying to Find Relief—At Last Succeeds

Mrs. Ida Pickett, 274 South Division St., Buffalo, N. Y., says: "Twenty-five years is a long time to keep looking for something without finding it, and it's no wonder I almost lost hope. But I finally found what I was hunting—a medicine to relieve me of an awful case of indigestion. Tanlac rewarded my long search for relief, and I now enjoy better health than I have in thirty years."

Many people on verge of despair have taken Tanlac and recovered. Tanlac is sold in Jacksonville by J. F. Shreve, Druggist, and leading druggists everywhere.—Adv.

A "Hero" Home is a Cozy Home
Special Prices this Week on Five and Seven Room Houses

The cold winter weather has no terrors for its users. Their homes are warm throughout in zero weather and they are helping us make more sales everywhere.

Basements are not overheated nor cluttered up with pipes.

Our guarantee protects them from any risk.

The saving of coal is wonderful, because all the heat units of the coal are diffused throughout the house, instead of being lost through long pipes and up the chimney.

The Vapor Pans clean, wash and moisten the air. The Humidity is very beneficial to the lungs and body.

One register only, saves cutting up the house and makes it a one day job to install.

If house has no basement, a pit can be made, large enough for furnace and coal.

Your house heated is worth much more than unheated. What else can you buy for your family that will give the same satisfaction, service and economy?

The Hero Pipeless Furnace is the result of 30 years of practical heating experience. It makes every user a booster.

PIPELESS HERO FURNACES

WHITE HALL HISTORY DATA IS COMPLETED

Matters of Historical Interest in Greene County Now Being Collected—War Records of Veterans Important Feature.

White Hall, Oct. 14.—There is considerable activity locally at the present time in matters historical pertaining to White Hall. The main labor connected with this undertaking is being performed by E. L. Wendell, who has begun with the first layout of the original town in 1832 and the acts of the legislature in creating the municipal corporation. In all this work many great individual characters are being evolved, and much of general historical interest recorded. Already the data pertaining to the clay industry has been compiled and recorded in a rather lengthy chapter.

The soldier history is found to be a most important feature, there being many deceased residents of White Hall who have filled important military posts in the past, and there is a list of Revolutionary veterans buried here that challenges any other community this far west. The list now numbers eight. Some of them are buried in cemeteries abandoned long ago for burial purposes, and suitable military markers are being obtained for erection about the White Hall soldiers' monument as part of the improvement program of that great memorial enterprise, providing the idea meets with the final approval of a majority of the directors, as now seems a certainty. This is the biggest idea yet advanced in connection with soldier history, and it must be credited to Seth M. Griswold.

Some interesting letters are continually being received that embrace characters apart from the history of White Hall. One of these has just reached us from Mrs. Clay Boone Haggard of Shady Point, Oklahoma, daughter of the late Capt. Robert E. Haggard of Winchester, Company R, 61st Illinois Infantry.

Mrs. Hollis says she possesses a long memorial written at the time of his death in 1886 by the late Elder B. B. Hamilton of White Hall, the chaplain of his regiment. "I shall be glad to help in the soldier memorial work," she says. "Many of my girlhood days were spent in White Hall with my sister, who was first Mrs. M. H. Watt. Mr. Watt worked for John Higbee, and some of the school mates of that time are still living: Will Israel and wife, Emma Webb Israel, of Granite City, Ill.; John Higbee's family; Miss Emma May Wanderheyden Rawlins of Roadhouse; the older members of Griswold, Fulton Worcester and wife; Kate Worcester Danforth, and I presume many others are still living. Nor must I forget my old Winchester school mate and lifelong friend, Henry Avery."

Capt. Haggard migrated from Kentucky to Winchester, Illinois in 1837, and gave the Scott county capital its name in honor of his home town in Kentucky, Winchester. He entered with zeal into the recruiting of the 61st Illinois Infantry, and at the time of the first muster at Carrollton he was made first lieutenant of Company F, and tho he was 57 years of age he had recruited most if not all of his own company. In the matter of March 24th, 1862, he had filled his company and was promoted to the grade of captain. The battle of Shiloh came when his regiment had been only one week in the field. At the head of his company he entered into that engagement but when so severely wounded that he was compelled to cease fighting and his command was driven from the field, he was left behind to be taken a prisoner of war along with Capt. Mann and Gen. B. M. Prentiss and others on the 6th of April, 1862.

After six months in the confederate prisons at Selma, Alabama, and Libby, he was exchanged and returned to his regiment, but it was soon discovered that his wound in the right shoulder had so stiffened the joint that he could not draw his sword from its scabbard with his right hand, and his wound gave him constant pain, causing him to resign in the spring of 1863. He had his pleasure of official life after his return from the war up to the time of his death, October 18th, 1886, at the age of 81 years.

"M. W."

It is not the custom to confer the degree of M. W. on the man who is a Master of Wiring, but it ought to be. Then you'd know what calibre of man to select for the job and what kind of wiring you'd get as the result.

Although no university has ever conferred the degree of M. W. on us and probably never will, our experience easily enables us to adopt these two letters as our token of reliability.

Whether M. W. appears after our name or not we indelibly stamp it on the wiring and on the electrical work which we conscientiously do.

Walsh Electric Co.

WILL PREACH SUNDAY

Rev. William Tease, who is a candidate for the pastorate of the Pisgah Presbyterian church, will deliver a sermon at the church Sunday afternoon at 3:30 o'clock. At the present time the church is without a pastor. A large congregation is earnestly desired.

OAK LAWN SANATORIUM NOTES

Things are looking decidedly encouraging now at Oak Lawn Sanatorium. The Board of Managers are using every possible means to make the funds at their disposal go as far as possible and to expend every available dollar for the best possible purpose. The trustees and county board are cordially working together and now it is for the people of the county to get behind this worthy enterprise and give it such a boost that it will be heard from far and wide thru its usefulness.

A fine beginning has been made, as already stated in the Journal, in the way of furnishing rooms in the institution. Various societies and orders have undertaken thus to supply all the rooms on the lower floor and the apartments in the upper story are waiting for generous hands to furnish them.

When it is done, as surely it will be, the institution can care for forty patients and additions will be made as fast as necessities and means will permit.

A special committee consisting of Mrs. W. T. Scott, president of the federation of women's club of the county, and thus representing them, Mrs. A. L. Adams and Dr. Hardesty of the trustees, have been appointed a purchasing committee to expend the money generously subscribed by the organizations already named and the funds will be used to the best advantage.

The complete furnishing has been delayed by the non-arrival of some electric light fixtures which were ordered some time since, but it is hoped they will be here soon. When they arrive and the newly bought furniture comes the institution can be opened for patients.

The trustees have voted to permit the city to have a driveway thru the west part of the grounds as an entrance to Mauvaisterre park, the city to be at the expense of preparing and maintaining it and to see that the privilege is not abused.

The government has agreed to send here as many World War veterans as the institution can care for, and that will be a help. Chairman Curry and members Dr. Hardesty and W. R. Turnbull are alive to the interests and welfare of the institution and will see to it, with the advice and aid of the county board, that all is done in the best business-like manner possible.

Insure with M. C. Hook Co.

A Little Talk On Money and Its Value and Our Appreciation

Money is a "medium of exchange." Its value is determined by its buying power. The actual worth of a dollar depends upon what you get for it when you exchange it for goods.

Generally speaking, your dollars now have greater buying power than they have had at any time during the past several years. That is a happy and healthy condition—one that puts a premium on unrestrained buying of the things needed for your comfort and happiness.

For many years we have been carefully and painstakingly building our business, stone to stone, that we might accomplish lasting and praiseworthy results. Each year, as we have paused to mark another anniversary in our business life, it has seemed proper and right that we show our appreciation of the part our friends have taken in contributing to our gratifying success.

Therefore, at this time, instead of announcing a sale or special bargain event, we have freely and willingly turned over our big building to the promoters of Jacksonville's Auto Show and Merchants' Exposition, and have joined wholeheartedly with them in making the coming exhibition one really worth while—one that will prove interesting and delightful, and one that will be entirely free to all comers.

A cordial invitation is extended to everybody to come and be joyous with us.

A Coupe of Unique Advantages

Unsurpassed manufacturing facilities, volume production and long experience guarantee the purchaser of the new Paige enclosed models advantages in comfort, performance and service that can not be matched elsewhere at any price.

The new five-passenger 6-66 Coupe is a unique example of what Paige has accomplished. By a clever arrangement of the seats there is ample room for five adult passengers; yet the intimate atmosphere of the Coupe type has not been sacrificed.

Coupees, naturally, demonstrate their best qualities in city traffic. There must be absolute flexibility, ability to dart in and out and to speed away on the instant. No car on the market today excels the Paige 6-66 Coupe in these qualities.

All Paige Sedans and Coupes, whether built on the larger 6-66 chassis or the smaller 6-44 chassis, are offered to you with the conviction that in design, finish, appointments and performing powers they represent the greatest values obtainable today.

These are claims you can readily establish for yourself by demonstrations which will enable you to make intelligent comparisons.

List Prices of Paige Cars range from \$1635 to \$4030

knew it.

This smartness and style are due to the perfected
design of the laced-in-front Roberta.

The clever Roberta designer knows how large
figures should be fitted. He knows how to build
a figure-moulding corset which gives ease, grace
and style.

The corset illustrated was designed on a living
model of correct proportions. Every bone is
scientifically placed for proper support, poise
and effective slenderizing.

The fancy pink material is light weight, but
strong. Heavy rubber inserts at the top on each
side of the front clasp held the figure firmly
without pressure or binding.

This \$10.00 model is a best seller for every
woman of large figure, transforming her appear-
ance and reducing her apparent size.

A Roberta lends the wearer slenderized lines—
with no broad back or "boxy" front. Self
adjusting shield under the lacing prevents
cutting. Flexible-top clasps are another com-
fort. Black Amazone rubber covered boning
gives strength and wear.

Be fitted in a Roberta—it will be the one and
only corset for you ever after.

ILLINOIS COLLEGE NOTES

William Calloun, '22, of Franklin, Ill., has been appointed chairman of the Devotional association for the coming year. He will lead devotional service at Academy hall Sunday evening. His subject will be "Efficiency." Dr. Lacey, head of the department of Greek and Latin, has again been appointed faculty advisor of the association.

Louis Fleury, the Frenchman, who is a student at the School for the Blind, gave a demonstration of his remarkable mathematical ability at the chapel exercises last Monday morning.

Dr. Rummelkamp will attend the meetings of Synod at Lincoln, Ill., next Tuesday.

At the chapel exercises Wednesday morning the Y. M. C. A. and Y. W. C. A. held their membership drives. Miss Pierce, the field secretary of the Y. W. C. A., gave a very interesting talk to the students. Dr. Smith of Westminster church and an alumnus of Illinois college represented the Y. M. C. A. at the meeting, giving a very interesting talk on the plans of the Y. M. C. A. In the evening the cabinet members and advisory board of the Y. W. C. A. gave a luncheon for Miss Pierce at Academy hall. During the luncheon matters of interest in Y. W. work were discussed.

The girls of the college organized their hockey club during the past week. Isabel Ames and Frances Strawn have been appointed instructors.

The girls of the senior class, who reside at Academy hall, have organized a senior council. This council plans to co-operate with the teachers of the hall regarding the rules and regulations. These girls will be given special privileges at the hall.

Dramatic club tryout will be held on Tuesday afternoon in the college chapel. The president of the club this year is Bernard Frazer, '23.

A society for the freshman girls has been organized. They plan to hold meetings once a week to discuss matters of literary interest. Carol Lander of this city has been elected president. They will hold their meetings in one of the studios at the Conservatory.

Arthur Kingsley of the class of

1912 was a visitor on the campus Friday.

At the chapel exercises Friday morning Miss Eloise Cupps of the Conservatory faculty entertained the students with two very pleasing numbers on the violin.

James Hatfield, '23, has been elected assistant manager of the football team to take the place left vacant by Byron Beard. William Calloun, '22, is manager of the team.

Regular meeting of the Y. W. C. A. will be held Monday afternoon at 4:10 in the Jones building. The subject of the meeting will be "The Mechanics of Y. W." Frances Strawn will lead the meeting.

CLOSE OF WHEAT MARKET UNSETTLED

By Associated Press.
CHICAGO, Oct. 15.—Uncertainty regarding farm reserve figures credited to the government but not officially issued from Washington gave an advantage to bears in the wheat market today during most of the session. Week-end evening up, however caused a rally. The close was unsettled at 1¢ net decline to a like advance with December \$1.15½ to \$1.15½ and May \$1.19½ to \$1.20.

Corn finished 1¢ off to 1¢ 1/2 up and oats gained 1¢ to 1¢ 1/2. In provisions, the outcome varied from 2½¢ decline to a rise of 10¢.

The farm reserve estimate which was current put the total at 419,000,000 bushels as against 477,000,000 bushels last year. Apparently this showing would be a disappointment to the bulls, but there was much question as to whether the amount named took in seed requirements and also whether country mill and elevator stocks were included. One comment which attracted attention was that if the estimate should finally be put out as official it would be difficult to reconcile with previous reports which had been generally accepted as to consumption, exports and increased visible supply since July 1 amounting to more than 300,000,000 bushels.

Corn and oats were governed chiefly by the action of wheat. Rural offerings lacked volume. Provisions averaged a little higher with hogs.

E. ST. LOUIS LIVESTOCK

By Associated Press.
East St. Louis, Ill., Oct. 15.—Cattle—500; Market compared with week ago; best native fed steers, westerns, culls, canners and light veal calves steady; good to choice yearlings and heifers 25¢ higher; native grass steers, best heifers and best cows 25¢ lower; stockers and feeders steady to 25¢ lower.

Hogs—3,000; closing fairly active; 5 to 16¢ lower; best butchers least affected; top \$8.60; bulk, light and medium weights, \$8.50 to \$8.60; 250 pound heavies brought \$8.50; 350 pounders \$7.65; others unsold under slow demand; packer sows steady \$6.25 to \$6.75; pigs 10 to 15¢ lower; most sales at \$8.50; quality medium to good; clearance good.

Sheep—500; no market today. Compared to week ago; Lamba 25 to 50¢ higher; all others steady.

It DOES Pay to "Look for the Victor Dog"

—It does pay to "look inside the lid."
It pays because it is your guarantee that the instrument is a genuine Victrola.
The "Victor Dog" trademark distinguishes it from a world of imitations.
And it means that you are receiving the instrument that is the choice of the greatest singers, musicians and orchestras of the world.

Victrolas range in price from \$25 upward.

WOMAN'S COLLEGE NOTES

President Harker is in Oklahoma City, Okla., where he represents the Board of Education at the M. F. Conference held in Oklahoma City. There is a great deal of interest in the sessions of the conference this year because of the location of the Oklahoma City college where a campaign was recently successfully completed for \$1,500,000. Next Tuesday President Harker is to be in Chicago to confer with Dr. Hancher in connection with the plans for the campaign for the educational interests of the Central Conference and the Illinois Conference.

At the annual meeting of the Social Service league held at the college Thursday night, seven of the students put on a very clever stunt as a concluding number of the program.

The annual college picnic was held Monday on the college campus. It had been the expectation to go to Nichols park, but owing to the uncertainty of the weather a change in

plans was obligatory. A delightful picnic lunch was served to the students and faculty.

In connection with the statistics which have been worked out in the college office it is interesting to note the average ages of the students who attend the college. The age of the entering freshmen class averages eighteen years and five months; that of the sophomore class, nineteen years and eight months; of the juniors, twenty-one years and ten months; and of the seniors twenty-one years and five months. A record is being kept of the percentages of the classes, showing the number of students who return each year. Of the undergraduates who did not return this year, twenty-six are teaching and expect to return to the college later in comparison with the eastern colleges for women it is interesting to note that the average age for freshmen is about the same as that of Vassar and other schools in the east.

Special attention is called to the recital of Miss Ida B. Davis, the head of the Department of Expression, Monday evening, Oct. 17. She will read "King Rene's Daughter" and a cordial invitation is extended to the public to attend.

Miss Pierce, who is student secretary for the Young Women's Christian association for the Central field, was a guest at the college Thursday night and Friday. She had a number of conferences with the students and left Friday night for headquarters in Chicago.

An important feature of the religious life in Jacksonville will begin next Tuesday evening with the organization of four classes in a school of religion. The classes will meet for opening exercises in the social room and immediately after that will go to the recitation rooms adjoining the social room for the two study periods. Competent instructors have been secured for the work and it is expected that much profit will be derived from the work. This school is under the direction of the pastors of the three Methodist churches of the city, and Prof. Weber has been secured as dean of the school.

Dr. and Mrs. Harker entertained the freshmen last Saturday night at an informal party held in the social room. A number of very clever stunts were given and delightful refreshments were served.

At the Woman's Club luncheon, given at the Christian church, Saturday, October 8, Miss Janette Powell, assistant in the Department of Expression, read Joyce Kilmer's poems.

PUBLIC SALE Of about 40 head Shorthorn cattle, 3/4 mile west of Or- leans, Oct. 19. MOELLER & FUNK

TO PREACH AT
PLEASANT GROVE
Rev. I. H. Fuller of Woodson
will preach at the Pleasant Grove
school house Sunday afternoon at
2:30 o'clock. It is hoped there
will be a large attendance at this
service.

FOR COMMISSIONER
As the Democratic candidate
for county commissioner, I will
appreciate your vote at the polls.
If elected I will seek to do my
duty at all times.
Robert S. Hamilton.

BUYS A GOOD
FORD ONE TON TRUCK
NEW CORD CASINGS

DO YOU CATCH COLD EASILY?

HOW TO AVOID IT

Colds are due to germs. No one can prevent the germs from getting into your nose and throat. But you can help keep plenty of strong, vigorous, "anti-bodies" in your blood to fight and kill off the nasty "cold germs" before the day you are yanked.

To develop these germ destroying "anti-bodies" properly, you must have plenty of pure rich red blood and a strong, vigorous constitution—in fact, this is the best preventative against almost all disease.

If you are weak, nervous or run down, or subject to colds, take NUXATED IRON. One day you may develop serious throat, bronchial or lung trouble or perhaps pneumonia and you may go off like a shot. Therefore, commence to enrich your blood and fortify yourself against "disease germs" today. To build more and better blood and make stronger nerves, there is nothing superior to NUXATED IRON as it contains organic iron like the iron in your blood combined with a product representing the principal chemical constituent of active living nerve force for feeding the nerves. Nuxated Iron may therefore be said to be both a blood and a nerve food. It often increases the bodily and mental vigor, strength and endurance in two weeks' time.

Over 4,000,000 people are using it annually. It has been highly endorsed by former United States Senators, U. S. Army Generals, many physicians and prominent men. Even the Pope at Rome mentioned it favorably in a communication to the Proprietor of the Pharmacy Normale of Paris. Satisfaction guaranteed or the manufacturers will refund your money. Beware of substitutes. Look for the word "NUXATED" on every package and the letters N. I. on every tablet. Sold by all druggists.

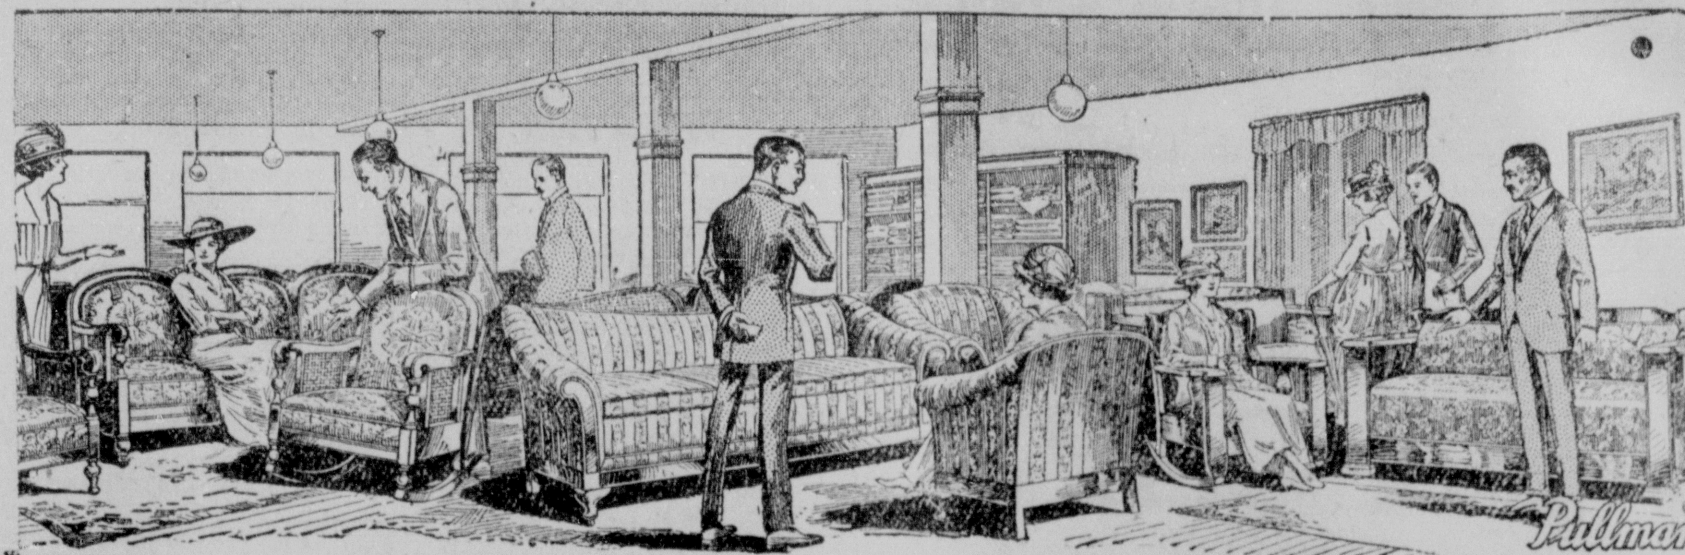

NUXATED IRON
Helps make rich red blood
and revitalizes weak nerves

An Invitation

The business men of Jacksonville take this opportunity to cordially invite you to visit them not only on these two days but at any time you have the opportunity. Feel free to make use of their stores as your headquarters; many have provided rest rooms, use them. Make yourself at home while in our city.

There are many points of interest here—our colleges, churches, state institutions, factories and stores are especially interesting to the visitors.

JACKSONVILLE WELCOMES YOU!
